MEMORANDUM OF UNDERSTANDING

PREAMBLE

WHEREAS, the Baltimore County Administration ("Administration") and the Baltimore County Federation of Public Employees, AFT, AFL-CIO ("Federation") desire to provide efficient public service to the citizens of Baltimore County, and;

WHEREAS, the Federation and the Administration agree that this goal can best be achieved through a harmonious relationship between them, the parties hereby agree as follows:

ARTICLE 1 - RECOGNITION OF FEDERATION

Section 1.1 - Federation Recognition

The Administration recognizes the Federation as the exclusive representative of its employees, as defined in Section 1.2 of this Article, for the purpose of negotiating and otherwise representing such employees in all matters relating to wages, hours and other conditions and terms of employment.

Section 1.2 - Employee Defined

Whenever used in this Memorandum of Understanding, the term "employee" shall mean all salaried employees in Pay Schedule I of the Baltimore County Classification and Compensation Plan.

ARTICLE 2 - MANAGEMENT AND EMPLOYEE RIGHTS

Section 2.1 - Management Rights

It is the exclusive right of the County to determine the purposes and objectives of each of its constituent offices and departments; set standards of services to be offered to the public; to determine the methods, means, personnel, and other resources, including volunteers, by which the County's operations are to be conducted, including the contracting out of work if deemed necessary by the County, and exercise control and discretion over its organization and operations. It is also the right of the County subject to applicable provisions of this Memorandum of Understanding and, in accordance with the Charter and other applicable laws, to direct its employees; to hire, promote, transfer, assign, or retain employees; and to establish reasonable work rules; also to demote, suspend, discharge, or take any other disciplinary action against its employees for just cause. Nothing contained in this section shall be deemed to deny the right of any employee to submit a grievance with regard to the exercise of such rights.

Section 2.2 - Employee Rights

An employee will have and will be protected in the exercise of the right, freely and without fear of penalty or reprisal, to form, join and assist the Federation, or to refrain from such activity in accordance with the Employee Relations Act of Baltimore County. In the exercise of this right, employees and their representatives will be free from any and all interference, restraint, coercion and discrimination. Except as otherwise expressly provided in this Memorandum of Understanding and in the Employee Relations Act of Baltimore County, the right to assist an employee organization extends to participation in the management of the organization and acting for the organization as representative, including presentation of views to officials of Baltimore County, or other appropriate authority.

Section 2.3 - Federation Activities

- a) Designation of Federation Representatives
- b) In addition to Field Representatives employed by the Federation, the Federation may designate representatives from among the employees. A written list of the Federation's representatives shall be furnished to the Administration every January 1, and the

Federation shall immediately notify the Administration of any changes of such representatives.

c) Federation Activities

With the permission of the appropriate supervisor(s), Federation representatives designated pursuant to Section 2.3 (a) of this Memorandum of Understanding shall be permitted reasonable time during working hours and on County premises to post official Federation notices on bulletin boards designated for such purposes by the Administration; to transmit communications, authorized by the Federation, to the Administration or its representative(s); to consult with the Administration or its representative(s) concerning the enforcement of any provisions of this Memorandum of Understanding; to consult with an employee and/or the Federation President with respect to the administration of this Memorandum of Understanding; to attend investigatory interviews if requested by employees pursuant to Section 11.3; and to represent employees at grievance meetings and hearings conducted pursuant to Section 4.3 of this Memorandum of Understanding. Access under this Section 2.3 (c) shall be denied only when the use of such time would interfere with the operations of the County.

d) Notice to Federation

The Administration shall notify the Federation in advance of layoffs, promotion of employees to positions outside of the bargaining unit, removal of positions from the bargaining unit, and of new employee orientation programs.

e) Federation President

The President of the Federation shall be granted a full-time leave of absence for the President's duties from the Department to which the President is otherwise assigned, but shall remain on the payroll of such Department, for the purpose of performing full-time duties on behalf of the Federation. During such leave, the President shall continue to accumulate seniority and shall receive all benefits as if he were fully on duty including, but not limited to, pension accruals and fringe benefits.

f) Second full released employee In fiscal year 2018 the President of the Federation may designate one employee from pay-schedule I-C or I-E, or I in classifications of Correction Sergeant or below, Emergency Communications Technician II or below or at grade 25 or below on pay schedule I to be granted full-time leave of absence from the Department to which they are otherwise assigned, but shall remain on the payroll of such Department, for the purpose of performing full-time duties on behalf of the Federation. During such leave, the president designee shall continue to accumulate seniority and shall receive all benefits as if he were fully on duty including, but not limited to, pension accruals and fringe benefits.

g) County Mail

The Federation may use the County mail system for the distribution of this Memorandum of Understanding. The Federation may use the County mail system for the monthly distribution of its newsletters, to which it may attach materials related to its function as collective bargaining representative. No public political campaign literature shall be permitted. The Federation agrees simultaneously to provide to the Director of Human Resources a copy of any material intended for membership-wide or unit-wide distribution.

h) Contractual Rights

Supervisors and bargaining unit members shall not waive or allow to be waived a contractual right.

i) New Employee Orientation information.

The Federation President will be notified via email by the following agency/department of upcoming orientations meeting/training. The notifications will be sent as soon as the orientations are scheduled and will include date, time and location.

A Federation Representation will be granted access time to orientations/meetings to provide information to new full time county employees on the benefits of joining the union at the following locations:

- 911 Center - one 30 minute time block at the 911 Center during the first two weeks of ECT Trainee training.
- Corrections - one 30 minute time block at the Detention Center during the first two weeks of Correctional Pre-service training.
- Office of Human Resources - At 4:30pm, on the day of the orientation, or at the completion of the New Employee Orientation program to pay schedule I or I C employees.

Section 2.4 – Labor-Management Meetings

Recognizing that the Federation and the Administration have as mutual objectives, to bring about a higher level of public service and improved efficiency in the operation of the county government, and to promote the improvement of employer-employee relations, upon request of the President of the Federation or the Director of Human Resources, representatives of the Federation and the Administration shall meet at mutually agreeable times to discuss issues of concern.

Section 2.5 Bargaining Unit Information

The employer agrees to furnish a report or reports on a quarterly basis (upon request) to the Union in electronic form, listing new hires of employees in the Bargaining Unit, employees of this unit on an unpaid leave of absence of thirty days or more, and employees of this unit who exited county service. These reports will include the employee's name, job classification code, adjusted employment date, termination date and reason, if inactive, rate of pay, if active, and organization code. The employer will provide a quarterly demographic report (upon request) to the Union in electronic form, containing the following information for each active employee in the Bargaining Unit: The employee's name (last, first and middle initial), adjusted employment date, salary anniversary date, organizational code, employment status code, job classification code and title, work location code, pay standards, annual rate of pay, and whether or not the employee has dues deductions.

The County will provide the Union with a current listing of agency/department organizational code numbers and mail stop numbers. This shall be done twice a year at the request of the union. The parties agree that this provision is subject to any prohibition imposed upon the employer by courts of competent jurisdiction.

Section 2.6 Intranet Connection

During fiscal year 2010 the County will provide the Federation software to enable connection to the County intranet, BCNet. The cost of this software, connection and associated hardware costs shall be borne by the Federation.

ARTICLE 3 - UNION SECURITY

Section 3.1 - Federation Membership

All employees covered by this Memorandum of Understanding who (a) are members of the Federation, or (b) all employees who are thereafter hired shall, as a condition of continued employment, maintain membership in the Federation or pay to the Federation a service fee in an amount not to exceed the then current Federation dues, in order to defray the cost incurred by the Federation in serving as the exclusive representative of employees in accord with the Employee Relations Act of Baltimore County. The provision of this section shall be contingent upon the showing by the Federation, annually, to the Administration that more than thirty percent (30%) of the employees covered by this Memorandum of Understanding are dues paying members of the Federation.

Section 3.2 - Election of Membership

An employee required to make an election of membership status must do so within thirty (30) days following receipt of such form from the Federation. Failure to do so shall result in the Federation notifying the County of the breach by the employee of the provisions of this Article 3. The County will then notify the employee within five (5) working days of receipt of the Federation notification that the employee has ten (10) working days in which to make such an election. If the employee still does not make an election in the time provided, or has not made a financial arrangement satisfactory to the Federation, the County shall notify the employee's appointing authority that the employee has breached the terms of continued employment, and the appointing authority shall then begin proceedings subjecting the employee to appropriate disciplinary action, including termination.

Section 3.3 - Dues Checkoff

Upon receipt of a written authorization from an employee, the Administration shall deduct from the wages due said employee each pay period, and remit to the Federation, monthly, at its headquarters, the biweekly dues as fixed by the Federation, or the equivalent service fee and/or deductions for Federation sponsored insurance programs, provided that the Administration shall cease such deductions upon an employee's termination of employment, transfer to a job outside the bargaining unit, layoff from work, or authorized leave of absence. The Administration shall resume such deductions upon the return of an employee from layoff or authorized leave of absence. The Administration shall cease deductions for Federation dues or service fees upon receipt of a revocation of such authorization from an employee that is executed within thirty (30) days prior to the anniversary date of such authorization.

Section 3.4 - County Indemnification

The County assumes no obligation, financial or otherwise, arising out of the provisions of this Article, and the Federation shall indemnify and hold the County harmless from any and all claims,

grievances, arbitration, awards, suits, attachments, or other proceedings arising out of or by reason of any action taken by the County for the purpose of complying with any of the provisions of this Article.

Section 3.5 - Federation Information Days

The County agrees to allow Federation Information Days up to four times per year at each county facility, to provide information about the Federation and other related benefits. The Federation shall make the requests for Federation Information Days to the Director of Human Resources thirty (30) days prior to requested date. The Federation shall state in the request the date, times and location of the information day and the participants. The date, location and times that these days take place are subject to the approval by the Director of Human Resources; such approval shall not be unreasonably denied. It is understood that County operations will not be interfered with, as employees will visit these locations on their own time. The normal time will be from 11:00 a.m. to 2:00 p.m.

ARTICLE 4 - GRIEVANCE PROCEDURE

Section 4.1 - Definition of Grievance.

(a) The term grievance shall mean any dispute between an employee and the Administration, (a) concerning the application or interpretation of the terms of this Memorandum of Understanding; (b) concerning the discriminatory application or misapplication of the rules and regulations of any agency of the County; or (c) involving the suspension, dismissal, disciplinary action, promotion or demotion of the employee or any complaint about an examination or examination rating. The procedure set forth in this Article 4 and Article 5 of this Memorandum of Understanding are the exclusive procedures for the resolution of all grievances, and no employee shall be permitted to process any grievance except as set forth herein.

(b) Federation Grievances

It is understood that general grievances involving the provisions of this Memorandum of Understanding may be presented by the Federation President when, in the opinion of the President, such grievances would protect the general interests of employees.

Section 4.2 - Federation Representation

An employee shall be entitled to Federation representation at each step of the grievance procedure. However, the Federation shall not be required to represent, for purposes of grievance hearings, those employees who are not dues-paying members of the Federation. Notwithstanding the foregoing provisions of this Article, any employee shall have the right to present grievances to the Administration and to have such grievances adjusted in accord with the procedures set forth in this Article, without the intervention of the Federation, as long as the adjustment is not inconsistent with the terms of this Memorandum of Understanding, and provided that the Federation is given an opportunity to be present at such adjustment.

Section 4.3 - Procedural Steps

Recognizing that grievances should be raised and settled promptly, all grievances, except grievances involving the suspension or dismissal of an employee, must be presented in

accordance with the following procedures. A grievance involving the suspension of an employee shall be presented in accordance with the following procedures, except that such a grievance shall be commenced at Step 3 by the filing of a written grievance with the appropriate department head within ten (10) workdays after the employee has been notified of the suspension. A grievance involving the dismissal of an employee shall be presented in accordance with the following procedures, except that such a grievance shall be commenced at Step 4 by the filing of a written grievance with the Director of Human Resources within ten (10) workdays after the employee has been notified of the dismissal. The procedural steps for correctional officers represented by this memorandum of understanding to file a grievance on a disciplinary issue are in Exhibit J.

Step 1

Within ten (10) workdays following the event giving rise to the grievance or within ten (10) workdays following the time when the employee reasonably should have gained knowledge of its occurrence, the aggrieved employee may orally present the grievance to the employee's immediate supervisor. The immediate supervisor shall attempt to settle the grievance, and shall respond orally within five (5) workdays of presentation by the aggrieved employee.

Step 2

If the grievance is not settled at Step 1, the aggrieved employee may file a written grievance with the Division Chief, Bureau Chief or equivalent supervisor within five (5) workdays of the oral response. A meeting shall be held between the aggrieved employee, the employee's Federation representative and the appropriate supervisor or the supervisor's designee, and such other County representatives as may be designated, within ten (10) workdays after receipt of the written grievance. The supervisor or the supervisor's designee shall submit a written answer to the grievance to the aggrieved employee within ten (10) workdays of such meeting, and shall simultaneously forward a copy of such answer to the Federation Field Representative.

Step 3

If the grievance is not settled at Step 2, the aggrieved employee may file a written appeal of the Step 2 answer with the appropriate department head within ten (10) workdays after the employee's receipt of such answer. A meeting shall be held between the aggrieved employee, the employee's Federation representative and the department head or the department head's designee, and such other County representatives as may be designated, within ten (10) workdays of receipt of the written appeal. The department head or the department head's designee shall submit a written answer to the aggrieved employee within (10) workdays of such meeting, and shall simultaneously forward a copy of such answer to the Federation Field Representative.

Step 4

If the grievance is not settled at Step 3, the aggrieved employee may file a written appeal of the department head's answer with the Director of Human Resources within ten (10) workdays after receipt of such answer. A meeting shall be held between the aggrieved employee, the employee's Federation representative and the Director of Human Resources or the Director's designee, and such other County representatives as may be designated, within fifteen (15) workdays after receipt of the written appeal. The Director of Human Resources and the Director of Human Resource's designee shall submit a written answer to the aggrieved employee within fifteen (15) workdays of such meeting, and simultaneously

forward a written copy of such answer to the Federation Field Representative.

Section 4.4 - Written Presentation

All grievances presented at Steps 2 through 4, as set forth in Section 4.3 of this Article, shall be in writing, signed by the aggrieved employee, and shall set forth the specific provisions of the Memorandum of Understanding or rules and regulations at issue and the relief sought by the aggrieved employee.

Section 4.5 - Time Limitations

The time limits set forth in this Article and Article 5 are of the essence of this Memorandum of Understanding. Said time limits may be extended only by the mutual written agreement of the Administration and the aggrieved employee and/or the Federation representative. If the aggrieved employee (or the Federation, in the case of a Federation grievance) fails to comply with the time limits set forth in this Article, or if the Federation fails to comply with the time limits specified in Article 5, the grievance shall be deemed to have been waived. If the Administration fails to comply with any time limit set forth in this Article, the Federation may elect to proceed to the next step.

ARTICLE 5 - FINAL RESOLUTION OF GRIEVANCES

Section 5.1 - Final and Binding Arbitration

(a) Appeal Procedure

Any grievance as defined in Section 4.1(a) or (b) of this Memorandum of Understanding, that has been properly processed through the grievance procedure set forth in Article 4 and which has not been settled at the conclusion thereof, may be appealed to arbitration by the Federation by serving written notice of intention to appeal on the Director of Human Resources. Said written notice shall set forth the specific provision(s) of this Memorandum of Understanding or of the County's rules and regulations at issue, and a statement of the specific relief sought on behalf of the employee. A grievance must be appealed under this Section 5.1 not later than ten (10) workdays after receipt by the Federation Field Representative of the Director of Human Resources answer at Step 4 of the grievance procedure set forth in Article 4, or said grievance shall be deemed to have been settled in accordance with the Step 4 answer which shall be final and binding on the aggrieved employee, the Federation and the Administration.

(b) Selection of Arbitrator

Within ten (10) workdays after receipt by the Administration of the written notice of appeal specified in Section 5.1(a) of this Article, either the Administration or the Federation may request the Federal Mediation and Conciliation Service to furnish a list of no fewer than seven (7) qualified and impartial arbitrators, one of whom shall be designated to act as arbitrator of the grievance. Notice of such request shall be provided promptly to the other party. Selection shall be made by the Administration and the Federation alternately deleting names from the list until only one name remains. The final name remaining shall be the arbitrator of the grievance.

(c) Arbitrator's Jurisdiction

The jurisdiction and authority of the arbitrator of the grievance and the arbitrator's opinion and award shall be confined exclusively to the interpretation and/or application of the express provision or provisions of this Memorandum of Understanding or the rules and regulations of a County agency at issue between the Federation and the Administration, as specified in the written grievance filed by the aggrieved employee at Step 2 of the procedure set forth in Article 4 of this Memorandum of Understanding. The arbitrator shall have no authority to add to, detract from, alter, amend, or modify any provision of this Memorandum of Understanding or any rules and regulations of a County agency, or impose on either party hereto a limitation or obligation not explicitly provided for in this Memorandum of Understanding or the rules and regulations of the County agency, or to establish or alter any wage rate or wage structure. The arbitrator shall not hear or decide more than one grievance without the mutual consent of the Administration and the Federation. The award of the arbitrator, in writing, on the merits of any grievance adjudicated within the arbitrator's jurisdiction and authority shall be served on both the Administration and the Federation and shall be final and binding on the aggrieved employee or employees, the Administration and the Federation.

(d) Fees and Expenses of Arbitrator

The fees and expenses of the arbitrator shall be shared equally by the parties. The cost of any transcript shall be borne by the party or parties ordering it.

Section 5.2 - Resolution by Personnel and Salary Advisory Board

(a) Notice of Appeal

Any grievance as defined in Section 4.1(c) of this Memorandum of Understanding that has been properly processed through the grievance procedure set forth in Article 4 and which has not been settled at the conclusion thereof may be appealed for a final resolution by the Personnel and Salary Advisory Board, by serving written notice of intention to appeal on the Chairman of the Personnel and Salary Advisory Board within ten (10) workdays of receipt of the Director of Human Resources answer at Step 4 of the procedures set forth in Article 4 of this Memorandum of Understanding.

(b) Resolution by Personnel and Salary Advisory Board

The Personnel and Salary Advisory Board shall hold a hearing and finally resolve the dispute in accord with its existing rules and regulations. The decision rendered by the Personnel and Salary Advisory Board shall be final and binding on the aggrieved employee, the Federation and the County Administration.

ARTICLE 6 - NO DISCRIMINATION

Section 6.1 - No Discrimination

In accordance with applicable law, the provisions of this Memorandum of Understanding shall be applied equally to all employees without discrimination as to age, sex, handicap, marital status, race, color, creed, national origin, or political affiliation.

ARTICLE 7 - SENIORITY

Section 7.1 - Definition of Seniority

Seniority shall mean an employee's length of continuous service in the Baltimore County Classified Service, from the date of initial employment, or re-employment following a termination of prior seniority. An employee's seniority shall not accrue during any period of layoff in excess of twelve (12) months.

Section 7.2 - Termination of Seniority

An employee's seniority shall be terminated and the employee's rights under this Memorandum of Understanding forfeited for the following reasons:

- (a) discharge for just cause, quit, expiration of a leave of absence or resignation; or
- (b) layoff for a period in excess of twenty-four months.

Section 7.3 - Seniority List

The Administration shall maintain a list showing the seniority of all employees covered by this Memorandum of Understanding, which list will be arranged alphabetically by class title and be maintained by the Office of Human Resources. A copy of the seniority list shall be furnished to the Federation on or about January 1 of each year.

Section 7.4 - Layoffs and Recall

(a) In the event a reduction in force becomes necessary for reason of economy, the Administration shall lay off, within the job classification and department affected, first: seasonal, temporary and part-time employees; and then: classified employees, in inverse order of seniority, provided that if a layoff is necessitated because the funding of a grant program is reduced or eliminated, those employees employed pursuant to such grant will be laid off within the job classifications and departments affected in inverse order of seniority prior to the layoff of any other employees. A classified employee so laid off shall be entitled to "bump" the junior employee in the same job classification or classification series or to transfer to a vacant position in an equal or lower pay grade, provided the transferring employee meets the minimum qualifications of the job classification to which the employee wishes to transfer and provided that employees employed pursuant to a grant and laid off because of the reduction or elimination of such grant shall be entitled to "bump" in accord with the provisions of this Section 7.4. By order of seniority, a classified employee on layoff shall be recalled to the classification and Department from which the employee was laid off before a new employee is hired for such position.

(b) Layoff due to Technology

If an employee is to be laid off due to the employee's job being eliminated due to the introduction of new technology to the employee's job, the County will, whenever practicable, make every reasonable effort to train the displaced employee in the new technology or retrain the employee for a comparable full-time merit position in the County.

Section 7.5 - Posting and Filling of Vacancies

(a) When a vacancy in the classified service in Pay Schedule I occurs which the Administration intends to fill and for which no eligible list exists, the Administration shall post an announcement of the vacancy on the bulletin boards whereon such announcements are normally posted, for a minimum of ten (10) workdays. Such announcement shall identify the vacancy by the class title, pay grade and pay range and the location of the position, and shall include the minimum qualifications for the position.

Such announcements shall also state how and where to file and the closing date for receipt of applications. Any employee may submit an application for a vacant position. In the event two (2) or more employees certified from the eligible list are, in the judgment of the appointing authority, equally qualified, seniority shall determine who is appointed to the vacant position. Employees will be informed of their numerical score on any test for promotion and of their ranking on the eligibility list.

(b) Shift Changes. Before doing so, the Administration will advise the Federation of such a change in schedule so that an orderly transition may be achieved. A (4) four-day, (10) ten-hour workweek shall be in effect for a minimum of three (3) consecutive months unless the Administration decides that conditions have changed so that a (5) five-day, (8) eight-hour workweek is warranted. The County is willing to explore a four (4) day workweek through a labor/ management group.

Section 10.6 - Flextime and Alternative Work Schedules

Provided, however, that this Section will not apply where an immediate investigatory interview is an operational necessity. Supervisors will be held accountable by the Administrative Officer for compliance with this Section; failure by management to comply with this Section is not grievable by the affected employee and will not affect any disciplinary action that may be taken.

Any employee under administrative investigation by the Police Internal Affairs Section shall be informed in writing of the nature of the investigation prior to any interrogation or questioning. Upon appeal, the investigatory file from Internal Affairs may be reviewed by the employee and/or his representative no less than seven (7) days prior to the hearing.

If an employee leaves the service of the County having used more vacation than the employee would have been entitled to actually accrue, the value of such excess leave used shall be reimbursed to the County. Vacation must be used in increments of fifteen (15) minutes or more. In lieu of pay, Correctional Officers shall have the option of earning compensatory time at the straight-time rate. Section 14.8 - Vacation Scheduling

Vacation time can be taken subject to the approval of the supervisor, and such approval shall not be unreasonably withheld. If the agency wishes, a request for vacation should be sent in on the proper form (as designated by the agency) at least one (1) week prior to the requested commencement date of leave, if the leave is to extend one week or more. While every effort shall be made to meet the desires of employees in scheduling their periods of vacation leave, vacation schedules must conform to the requirements of operations, and vacations should be taken as scheduled by the supervisor. Conflicting requests for vacation shall be resolved on the basis of seniority. However, if an employee with lower seniority has obtained an approved vacation schedule in writing then the same shall stand as approved.

Section 14.9 - Eligibility for Vacation Accrual

An employee must be in pay status at least one day in the payroll period which includes the 15th of the month in order to accrue vacation for that month.

ARTICLE 15 - SICK LEAVE

Section 15.1 - Sick Leave Accrual

Full-time employees shall accrue sick leave at the rate of 8.75/10 hours per month. There shall be no limit on the number of sick days, which may be accumulated. Sick leave is accrued on the 15th of every month. An employee must be in pay status at least one day in the payroll period, which includes the 15th of the month in order to earn sick leave for that month.

Sick leave may be used only for absences caused by illness or injury not compensable under the Maryland Workers' Compensation Act; necessary medical, dental, or optical appointments or treatments, or confinement due to quarantine as determined by an authorized medical authority. Sick leave may only be used in increments of fifteen (15) minutes or more.

Section 15.2 - Retirement Benefit

Accrued sick leave will be credited toward retirement as additional days/months of service, or to determine the thirty (30) years of creditable service, thirty-five years (35) of creditable service for employees hired after July 1, 2007, on the basis of 154/176 hours of accrued sick leave equaling one (1) month of service credit. One (1) additional month of service shall be credited if fractional hours totaling 77/88 hours or more result from the application of this formula.

Section 15.3 - Notice of Use of Sick Leave

An employee who is unable to report to work because of illness or injury is required to personally call the employee's supervisor (or the supervisor's designee), or have a member of the immediate family or a designated representative call, within one (1) hour prior to or one-half (1/2) hour after the time the employee was to report for duty, unless the delay is caused by a documented

emergency. The employees assigned to positions requiring twenty-four (24) hour coverage in the Communications Center and those employees assigned to positions requiring sixteen (16) to twenty-four (24) hour coverage in the Detention Center are required to personally call a member of supervision, or have a member of the immediate family or a designated representative call, at least one (1) hour prior to the time the employee was to report for duty. An employee's personal certification will be accepted for absences of four (4) days or less unless the employee is subject to the provisions of Section 15.5 of this Article.

Section 15.4 - Holiday During Sick Leave

A holiday recognized under Section 13.1 of this Memorandum of Understanding shall not be counted as a sick day if it falls within the time an employee is on paid sick leave.

Section 15.5 - Abnormal Sick Leave Use

An employee whose absence pattern indicates a potential overuse or questionable use of sick leave may, after documented counseling by supervision, be placed on Exceptional Absenteeism Notice, during which time the employee will be required to submit a written physician's certificate for any sick leave absence. If an employee maintains a satisfactory attendance record for six (6) consecutive months after being placed on Exceptional Absenteeism Notice, such employee will no longer be subject to the requirements of this Section 15.5 until or unless the employee is again placed on Exceptional Absenteeism Notice.

Section 15.6 - Sick Leave Credit

As of January 1 of each year, an employee with one or more years of seniority shall be credited with the sick leave the employee would be entitled to accrue that year. If the employee leaves the service of the County having used more sick leave than the employee actually would have accrued, the value of such excess sick leave shall be reimbursed to the County.

Section 15.7 - Unearned Sick Leave

(a) Grant of Leave.

An employee with one (1) or more years of seniority can request an unearned sick leave extension of 210/240 hours maximum during a single year. This 210/240 hour extension will not be granted until the employee has used all earned and anticipated sick, vacation, personal leave and compensatory time. Under unusual circumstances, if approved by the Administrative Officer and Director of Human Resources, an employee can request an advance of unearned sick leave beyond the limits as prescribed by this rule. An employee with less than one (1) year seniority can receive an extension only on an exception basis, subject to the approval of the Director of Human Resources. The employee will first use all accrued sick, vacation, personal leave and compensatory time and, in addition, may be granted the employee's anticipated balance before the extension is granted. A probationary employee cannot receive unearned sick leave extensions, but may, under certain circumstances, be granted the employee's anticipated balance while on probation.

Sick leave extension is granted for one (1) physician-certified illness or injury only. Any balance of the total amount granted which is unused returns to the County and a subsequent request for unearned sick leave must be processed as a new extension, subject to the 210/240 hour maximum annually.

(b) Reimbursement of Leave.

All unearned sick leave granted must be "paid back" to the County when the employee returns. An employee cannot use paid sick leave until the negative balance is erased. If necessary, an employee with a negative sick leave balance can request a second unearned leave extension in a subsequent year. Such an extension, up to a maximum total negative balance of 210/240 hours, must also be "paid back" with earned sick leave time. If an employee terminates while still carrying a negative sick leave balance, the unearned leave extension and any anticipated leave used must be paid back to the County either in cash, as a deduction from the final paycheck or from the employee's retirement system account.

Section 15.8 - Overtime Computation

All hours for which an employee receives paid sick leave shall be considered hours worked for the purpose of computing overtime.

Section 15.9 - Family Illness

An employee may use up to 35/40 hours of sick leave for illness in the immediate family. With the approval of the Director of Human Resources, additional sick leave may be used for illness in the immediate family. Immediate family is defined for the purpose of this sub-section as the spouse, child, legal dependent, or parent of the employee. The employee is required to submit a statement to the employee's supervisor stating the relationship of the ill member of the immediate family, the nature of the illness, and the necessity for assisting the ill member of the immediate family.

ARTICLE 16 - LEAVES OF ABSENCE AND OTHER LEAVES

Section 16.1 - Leaves of Absence

(a) Request for Leave. The Director of Human Resources may approve leaves of absence without pay for periods of up to one (1) year. A request for a leave of absence without pay shall be submitted in writing to the Director of Human Resources and state the reason the leave of absence is being requested and the approximate length of time off the employee desires. If approved, authorization for a leave of absence shall be furnished to the employee in writing. An employee does not earn sick leave or vacation leave while on an unpaid leave of absence. An employee who accepts other employment while on a leave of absence shall automatically be terminated unless such other employment has been approved, in writing, by the Director of Human Resources. During this leave, employees may continue participation in their health care and life insurance packages by assuming full premium costs.

(b) Return from Leave of Absence. An employee who returns from a leave of absence of more than six (6) months or from medical leave of any duration must be examined and certified by the Employee Health Clinic before returning to work. An employee who wishes to return from a leave of absence may be reinstated to the employee's former position if it is vacant, or placed on a certification list for a comparable position whenever a vacancy occurs.

Section 16.2 - Bereavement Leave

Four (4) days absence without loss of pay shall be permitted for the death of a parent, stepparent, child, stepchild, brother, sister or spouse. Three (3) days absence without loss of pay shall be permitted for the death of a grandparent, spouse's grandparent, grandchild, mother-in-law or father-in-law. One (1) day absence without loss of pay shall be permitted for the death of an aunt, uncle, brother-in-law, sister-in-law, stepbrother, stepsister, son-in-law, daughter-in-law, great-grandparent, and great-grandchild; provided that one (1) day additional leave with pay may be granted, at the discretion of the Agency Head or Bureau Chief, when extensive travel is involved. Bereavement leave days must be used within ten calendar days of the date of death. Pre-scheduled vacation, sick, personal or compensatory leave may be changed to bereavement leave without charge against the employee's leave balance. Upon request by the Director of Human Resources, the employee shall offer valid proof of relationship and date of death.

Section 16.3 - Jury Duty

- a) Employees who are required to perform jury service shall be paid their regular salary. The employees summoned as jurors shall notify their supervisors immediately. Employees who report for jury duty and are dismissed shall report to work for the remainder of the working day. Such time spent on jury service will not be charged against any leave credits. Second-shift employees required to report for jury duty, and who are not dismissed from jury duty, shall not be required to report for work on the day they report for jury duty. Third-shift employees shall not be required to report for work for a shift which ends on the day they are required to report for jury duty.
- b) Pay Schedule I-E Employees assigned to a shift that *begins* on the day that the employee is required to report for jury duty, and who are not dismissed from jury duty, shall not be required to report for work on the day they report for jury duty. Pay Schedule I-E Employees who are serving on a Grand Jury will report for Grand Jury daily and not report to their assigned shift while serving on the Grand Jury.

Section 16.4 - Military Leave

All employees requesting military leave to fulfill reserve obligations in the Armed Forces of the United States or in the National Guard of the State of Maryland shall be granted not in excess of fifteen (15) days annually for such purposes. Such leave will not be charged against the employee's earned vacation, and the employee will be paid full pay during such absence. An employee scheduled for military training shall notify their supervisor at least thirty (30) days in advance of a regularly scheduled military training date that would conflict with the employee's work schedule. The supervisor will make every effort to accommodate the employee's military training schedule, but it is agreed that any change in schedule will not result in the employee receiving overtime and that the change in schedule will not result in an employee working seven (7) consecutive days. Military leave shall be considered as hours worked for the purpose of computing overtime.

Section 16.5 - Work Related Injury

When an employee suffers a disability resulting from an accident or illness found to be compensable under the Maryland Workers' Compensation Act, said employee shall be allowed leave not to exceed twelve (12) months. If otherwise eligible, said leave shall begin on the next

scheduled day following the day of the accident. Unless the employee is physically incapacitated and therefore unable to comply, an employee may receive such Accident Leave only if the employee notifies management of the accidental injury within two workdays of the time for which the employee requests such Accident Leave. Payment, while on leave for this reason, shall be the amount calculated individually which will result in said employee receiving as close as practicable to their normal net pay. Every application form for such leave shall contain a statement by the employee, affirmed by the employee's supervisor, setting forth the details of the accident or illness and supported by the certification of a licensed physician, setting forth the nature and extent of the injury or illness and the probable period of disability. Leave granted under this Section shall be recorded on the employee's leave record card, but shall not be charged to any other type of leave.

If incapacitated for the employee's regular assignment, the employee may be given other duties with the County for the period of recuperation. Unwillingness to accept such assignments as directed by the employee's department head or the County Administrative Officer will make the employee ineligible for leave under this regulation during the time involved.

A physician who regularly examines employees as an official physician for the Baltimore County Employees' Retirement System shall determine the physical ability of the employee to continue working or to return to work.

Section 16.6 - Federation Leave

The Federation will be granted 1350 hours off for Federation business, conventions, seminars, training, etc. per year. If the Federation desires to use such leave, it must submit an oral request therefore, followed by written application for such leave, to the Director of Human Resources at least five (5) workdays prior to such use. Such leave may be denied by the Director of Human Resources only on the basis that it would unreasonably interfere with the County's operations.

Section 16.7- Leave Donation

Federation of Public Employees may donate annual leave for an employee (as defined in section 1.2 of this Memorandum of Understanding) who previously was granted unearned sick leave in excess of fifteen (15) day by the Director of Human Resources (up to the limit of 240 hours) and/or by the Administrative Officer (up to the limit of 240 hours), up to a combined limit of 480 hours.

This leave may only be donated after the employee has returned to work for thirty (30) days. Donations shall only be in full day increments and shall not exceed the amount of unearned sick leave previously granted. The Federation of Public Employees shall be responsible for collection and coordination of donated annual leave from employees. All employees donating leave shall be required to provide authorization in writing on Exhibit E.

ARTICLE 17 - SAFETY AND HEALTH

Section 17.1 - Safe and Healthy Working Conditions

The Administration will, to the extent of its authority, provide and maintain safe working conditions for all employees. A safety representative will be designated for each post of duty of more than ten (10) employees, who will be responsible for reporting any hazardous or unsafe conditions observed or reported to the safety representative, to the appropriate supervisor in

charge of that area or operation. If within a reasonable period of time corrective action is not taken, the safety representative may report the condition to the County Safety Officer. In those areas requiring twenty-four (24) hour operations, a safety representative will be designated for each duty shift of more than ten (10) employees. A list of all safety representatives will be supplied to the Federation during the first week of January. The Federation will also be notified of any changes of safety representatives. The County and the Bargaining unit will meet and confer regarding the type of vest to be purchased and make a recommendation to the County Administrator for approval.

Section 17.4 - Safety Committee

A Joint Committee shall be established with the goal of eliminating accidents and health hazards to the extent possible, which shall be comprised of a member of the Federation and a member of any other labor organization which has jurisdiction over the same location as this labor organization, and the County Safety Officer or the Officer's designee. ARTICLE 19 – PENSION

Section 19.1 Benefits Provided General Employees

- Normal and discontinued service retirement upon meeting age and service requirements
- Occupational disability benefits upon entry into the System
- Disability benefits for non-occupational related injury or illness upon attaining 10 years of creditable service.
- Occupational death benefits resulting from an injury in actual performance of the job
- Non-occupational death benefit coverage after five years of creditable service
- Credit for unused sick leave and military service
- Service credit for transfer time from a Maryland state or local municipal retirement system

- Cost of living adjustments are provided if sufficient excess earnings exist in the Fund
- DROP eligibility if hired prior to 7/1/07, minimum age 55, and Rule-of-85 (age and service)
- Option not to join pension system at age 55

NORMAL SERVICE RETIREMENT BENEFITS FOR MEMBERS HIRED PRIOR TO 7/1/07:

Members are eligible for normal service retirement after the attainment of age 60 with 5 years of creditable service or after 30 years of creditable service regardless of age. If a member is age 60 as of 6/30/07 and attains 5 years of creditable service, retires at age 65 with 5 years of creditable service, or retires with 30 years of creditable service regardless of age, the member will earn 1/55th for each year of creditable service times the member's Average Final Compensation (AFC). If the member does not meet the above criteria but otherwise meets retirement eligibility, the member shall receive 1/55th for each year of service prior to 7/1/07 and 1/70th for each year of service on or after 7/1/07 times the member's AFC. AFC is the rate of annual earnable compensation during the highest 12 or 36 consecutive months of service, depending upon the employee's applicable benefit basis.

DEFERRED RETIREMENT OPTION PROGRAM (DROP)

General employees who were hired prior to July 1, 2007 may elect a Deferred Retirement Option Program (DROP) upon eligibility. Eligibility is based on a combined total of age and qualifying service of at least 85 and a minimum age of 55 (e.g., 30 years' service + 55 years old = 85). Qualifying service includes unused sick time and military time but excludes outside transfer service. Elected officials and appointed department heads are not eligible.

The DROP allows eligible members to receive a lump sum payment at retirement in exchange for a reduced monthly benefit. When a member enters the DROP, they continue to work, their pension benefit is determined, and a DROP account is established in ERS. The DROP account is a personal retirement account that accumulates monthly pension payments, applicable retiree cost-of-living adjustments, ERS payroll contributions, an annual interest credit of 5%, and a one-time credit of unused sick time earned in the DROP period. The DROP period is a minimum of 5 years and a maximum of 10 years. However, electing the DROP does not obligate the member to work an additional 5 years. The member may opt out of the DROP at any time and be treated as if they had not elected to enter the DROP. When a DROP member retires, the DROP account may be paid to the member in a single lump sum or rolled over into an eligible retirement plan. A member in the DROP may use sick time earned prior to entering the DROP. If the member uses more sick time than earned in the DROP period, the member's pension payments and DROP account will be recalculated accordingly. If the member used that sick time to meet DROP eligibility, the DROP election date will be adjusted.

To participate in the DROP, a member must first complete and sign a DROP Election Form at the Retirement Office in Room 169 of the County Courthouse.

The County Administration agrees to conduct an actuarial study to determine whether a DROP can be implemented in a cost neutral or close to cost neutral manner for employees not currently qualified for participation in a County DROP. The County and the union will equally share the cost of any actuarial study or valuations up to the first ten thousand dollars (\$10,000). The study will be completed by October 1, 2020 and will be presented to the County Executive for review.

The agreement to conduct the study is in no way to be interpreted as agreement to implement DROP.

EARLY RETIREMENT

Members hired prior to 7/1/07 who wish to retire before reaching normal retirement may do so after the attainment of age 55 and after completing 20 years of service. However, the retirement allowance will be reduced by 5% for every year prior to age 60 or 30 years of service, whichever results in the lesser reduction, up to a maximum reduction of 25%.

NORMAL SERVICE RETIREMENT BENEFITS FOR MEMBERS HIRED ON OR AFTER 7/1/07:

Members are eligible for normal service retirement after the attainment of age 67 with 10 years of creditable service or after 35 years of creditable service regardless of age. The member will earn 1/70th for each year of creditable service times the member's AFC. AFC is the rate of annual earnable compensation during the highest 36 consecutive months of service. Members hired on or after 7/1/07 are not eligible for the DROP program or early retirement.

RETIREMENT OPTIONS

ERS provides a retiring member with a choice of taking the maximum allowance or an optional survivorship option. An optional allowance may provide a lump sum payment or a continued monthly allowance for the beneficiary. The selection of any option actuarially reduces the maximum allowance based on the option and the ages of the retired member and the beneficiary as of the date of retirement.

Maximum Allowance - Unreduced retirement allowance with no provisions for continued payments after the retired member's death. All benefits cease at the time of the retired member's death.

Option 1 - Reduced benefit. If the retired member dies before receiving in annuity payments the total contributions, plus interest accumulated in their account at the time of retirement, any remaining balance will be paid in a one-time, lump-sum payment to the designated beneficiary or beneficiaries. All monthly benefits cease at the time of the retired member's death. Under this option, the retiree may change the beneficiary even after receiving the first monthly payment and can also designate multiple beneficiaries.

Option 2 - Reduced benefit. Upon the death of the retired member, 100% of the retired member's monthly allowance shall be continued throughout the life of and paid to the designated beneficiary. No changes may be made to the designated beneficiary after payment of the member's first retirement allowance. If the beneficiary predeceases the retired member, no benefits will be payable after the retired member's death.

Option 3 - Reduced benefit. Upon the death of the retired member, 50% of the retired member's monthly allowance shall be continued throughout the life of and paid to the designated beneficiary. No changes may be made to the designated beneficiary after payment of the member's first retirement allowance. If the beneficiary predeceases the retired member, no benefits will be payable after the retired member's death.

Option 4 - Reduced benefit. Allows any portion of the retired member's allowance, the amount to be determined by the retired member, to continue throughout the life of and paid to

the designated beneficiary. No changes may be made to the designated beneficiary after payment of the member's first retirement allowance. If the beneficiary predeceases the retired member, no benefits will be payable after the retired member's death.

Option 5 - Reduced benefit. Allows 100% of the retired member's allowance to be paid to the beneficiary after the retired member's death. If the retired member becomes divorced from the beneficiary or if the beneficiary dies before the retired member, upon notification to the Board of Trustees, the retired member's allowance will be increased to the Maximum Allowance described above. If after such death or divorce the retired member wishes to select a new beneficiary and retirement option, the retired member may elect one of Options 2, 3, 4, 5, or 6. The benefit will be recomputed based on the ages of the retired member and the beneficiary at the time of re-designation.

Option 6 – Reduced benefit. Allows 50% of the retired member's allowance to be paid to the beneficiary after the retired member's death. If the retired member becomes divorced from the beneficiary or if the beneficiary dies before the retired member, upon notification to the Board of Trustees, the retired member's allowance will be increased to the maximum described above. If after such death or divorce the retired member wishes to select a new beneficiary and retirement option, the retired member may elect one of Options 2, 3, 4, 5, or 6. The benefit will be recomputed based on the ages of the retired member and the beneficiary at the time of re-designation.

MILITARY SERVICE CREDIT

Upon vesting, a member may be eligible to receive retirement credit for up to four years of active duty military service, on a year-for-year basis. Application for military credit can be made up until the time of retirement. To apply, a member must bring their DD214 to the Retirement Office and complete an Application for Military Credit. Active duty service credit will be verified and added to the member's account.

CREDIT FOR UNUSED SICK LEAVE

When a member's final retirement benefit is calculated, a member receives service credit for unused sick leave. One month of service credit shall be granted for every 22 days of unused sick leave. A remainder of 11 days or more will be rounded up to the next full month. Sick leave shall not be used to determine membership service required for the following: death benefit; ordinary disability; vesting; early retirement or average final compensation.

WITHDRAWING FROM THE SYSTEM

Members may withdraw from the System and receive their accumulated contributions only upon termination of employment. If employment is resumed and membership reinstated, no loss of prior service will occur if all accumulated contributions that were withdrawn are redeposited with interest to date of redeposit. Employees reenrolling under such conditions may not take a normal service retirement or an ordinary disability retirement for three years after reenrollment.

TRANSFER OF SERVICE CREDIT

If a new member was employed by the State of Maryland or any other jurisdiction within Maryland immediately prior to employment with Baltimore County, they may be eligible for transfer of prior retirement system service credit. In accordance with State law, new employees have only one year from the date of membership with ERS to claim prior service credit and provide accumulated contributions to ERS. To qualify for transfer service credit, there must be no break in employment greater than 90 days and no employment elsewhere within the break. It is

the employee's responsibility to initiate this transfer process with this one-year limitation period. No exceptions are allowed.

CONTRIBUTIONS

Employee contributions into the Retirement System are made through automatic payroll deductions. Retirement deductions are non-taxable, reducing the taxable income reported on the member's W-2 Form.

Employees hired before July 1, 2007 I-C Pay schedule

Effective July 1, 2016 pay schedule I-C employees who contribute less than 6.50% of their salary toward their pension shall increase their contribution to the rate of 6.50% of salary toward their pension.

RETIREE COST OF LIVING ADJUSTMENTS (COLAs)

1. The System provides COLAs to eligible retirees only if sufficient excess investment income exists in the Post Retirement Increase Fund to provide a minimum one percent increase. To receive a retiree COLA, a retiree must be retired for at least 12 months as of June 30 plus and additional four years. The Post Retirement Increase Fund (PRIF) shall be reduced from eight (8%) percent to six (6%). Retiree COLAs range from 1% to 3% and are based on the change in the Consumer Price Index (CPI-U) for the 12 months ended

December. COLAs are effective in July and are granted independently of employee COLAs.

2. Employees who were hired before July 1, 2007, and who retire on or after July 1, 2010 with less than 20 years of service, shall not be entitled to the retiree COLA. This subsection does not apply to disability retirements.
3. Employees who were hired after July 1, 2007, and who retire on or after July 1, 2010 with less than 25 years of service, shall not be entitled to the retiree COLA. This subsection does not apply to disability retirements.

NORMAL SERVICE RETIREMENT BENEFITS

Members hired prior to 7/1/07 are eligible for normal service retirement after the attainment of age 60 with 5 years of creditable service or after 20 years of creditable service regardless of age. Members hired on or after 7/1/07 are eligible for normal service retirement after the attainment of age 67 with 10 years of creditable service or after 25 years of creditable service regardless of age. Members will earn 2.5% of Average Final Compensation (AFC) times the number of years of creditable service up to 20 years plus 2% of AFC times the number of years of creditable service

in excess of 20 years plus effective July 1, 2020, 3% of AFC times the number of years of creditable service in excess of 25 years. Members hired prior to 7/1/07 and retiring with less than 20 years of creditable service will earn 1/55th of AFC times the number of years of creditable service if they are age 60 as of 6/30/07 and attain 5 years of creditable service or retire at age 65 with 5 years of creditable service. All other members hired prior to 7/1/07 and retiring with less than 20 years of creditable service will earn 1/55th of AFC times the number of years of creditable service prior to 7/1/07 and 1/70th of AFC times the number of years of creditable service on or after 7/1/07. For members hired prior to 7/1/07, AFC is the rate of annual earnable compensation during the highest 12 consecutive months of service. For members hired on or after 7/1/07, AFC is the rate of annual earnable compensation during the highest 36 consecutive months of service.

DEFERRED RETIREMENT OPTION PROGRAM (DROP)

A Back DROP is available to Correctional Officers and Deputy Sheriffs under which eligible active members may elect to receive a lump sum payment at retirement in exchange for a reduced monthly benefit for life. In order to be eligible for the DROP, members must be hired on or before 7/1/07, have at least 27 years of qualifying service, including credit for unused sick leave and military service. There is no credit for other jurisdiction service or service as a general employee. The DROP monthly pension benefit will be determined as of a date that is a specified number of years in the past (the “look-back” date) based on the plan provisions and the member’s salary and service at that earlier date, and the lump sum payment will be based on an assumed accumulation of member contributions and monthly payments during the period from the “look-back” date to the actual retirement date. The length of the DROP may be 3 years for 27 years of qualifying service, 3, 3½ or 4 years for 28 years of qualifying service and 3, 3½, 4, 4½ or 5 years for 29 years of qualifying service. The DROP election is made retroactively when the member is ready to retire. AFC is determined as if the member had retired at the beginning of the DROP. The DROP Allowance equals 64% of AFC plus an amount equal to 2% times AFC times the excess of the full and fractional years of DROP Service over 24 years.

The Retirement Allowance paid after the retirement date will equal the DROP Allowance less any reduction for a survivorship option. The reduction will be based on the member’s and beneficiary’s ages at the actual retirement date, not their ages at the DROP “look-back” date. Pension payments credited to the DROP account will be increased for COLAs just as if the member had retired at the beginning of the DROP. Member contributions made during the DROP period will be credited to the DROP account. The DROP will be credited with 5% interest each June 30, based on the administrative procedures currently used to determine the member’s accumulated contributions. The DROP accumulation may be paid to the member in a single lump sum or rolled over into an eligible plan such as an IRA. The distribution must be taken at the actual retirement date. DROP elections may only be made by the member at the date of service retirement. If the member dies in active service, the surviving beneficiary will not be allowed to make a DROP election.

The first retirements for a 3-year DROP cannot occur before July 1, 2010, a 3½-year DROP cannot occur before January 1, 2011, a 4-years DROP cannot occur before July 1, 2011, a 4½-year DROP cannot occur before January 1, 2012, and 5-year DROP cannot occur before July 1, 2012.

The County Administration agrees to conduct an actuarial study to determine whether a DROP can be implemented in a cost neutral or close to cost neutral manner for employees not currently qualified for participation in a County DROP. The County and the union will equally share the cost of any actuarial study or valuations up to the first ten thousand dollars (\$10,000). The study

will be completed by October 1, 2020 and will be presented to the County Executive for review. The agreement to conduct the study is in no way to be interpreted as agreement to implement DROP.

The County agrees to conduct a study regarding pension benefits that are offered to FPE unit members. The study will consider plan offerings that would be cost neutral relative to peer jurisdictions and, at FPE's request, will include within its scope: the availability of DROP for employees hired on or after July 1, 2007, required years of service for uniformed Correctional employees full -service retirement including possible cost-neutral move back to a 20-year retirement, and required years of service for ECT employees full-service retirement including possible cost-neutral move to 30/25 year retirement.

TRAVEL POLICY

1. Purpose

In order to provide a uniform policy for administration of required and authorized County business travel by employees of all agencies, the following guidelines and procedures shall be adopted by all departments, effective November 29, 1979.

This policy supersedes and replaces all previously existing official or unofficial travel policies presently applied by any County agency.

2. Administration

Travel procedures will be based on information circulated and updated every fiscal year by the Office of Finance, which shall be charged with the responsibility for voucher verification, per diem averages for selected major cities, average travel timetables, air and train fare estimates, accommodation recommendations and other guideline information necessary to insure proper controls of travel expenses.

The individual agency heads shall be responsible for approving travel requests in their departments, and for insuring that travel reimbursement is neither excessive nor discriminatory in its application. Any supplementary procedures developed by the agencies shall be subject to the approval of the Administrative Officer. The agency head shall have the responsibility to determine whether a County vehicle or a privately-owned vehicle shall be used for such travel.

The County Administrative Officer, or the Administrative Officer's designee, shall monitor all travel expenses as reported quarterly by the Office of Finance.

3. Mileage Allowance

A mileage allowance at the rate set by the Internal Revenue Service, plus tolls and parking, shall be paid to County employees who use their privately-owned vehicles for official County travel necessary to carry out the required or authorized duties of their positions, without regard to the number of passengers they may have.

In the application of this allowance, the employee will be entitled to reimbursement for official travel which is authorized by the agency head or designee, other than that required to and from the employee's regularly assigned office or duty station, for the purpose of mileage allowance calculations.

When an employee is required to travel on official business from home to a location other than the regularly assigned office or duty station, whether on a workday or not, the employee shall be reimbursed for mileage in excess of the distance round-trip between the employee's home and the regularly assigned place of work or duty station. It is the employee's duty to keep accurate and timely records of travel, and to report such mileage as required by the agency for reimbursement.

4. Temporary Change of Work Location

An employee who is required to report to a different work site will be reimbursed for all extra travel connected with that transfer provided that the transfer is authorized or directed by the employee's supervisor and is temporary (1 two-week pay period or less) in nature. This allowance will only be paid for mileage beyond that normally traveled by the employee to the employee's regularly assigned place of work.

Travel allowance payments for temporary changes of work location beyond the two-week limitation must be specifically approved by the agency head, subject to the review of the Administrative Officer.

5. Tolls and Parking

Should authorized County business require an employee to pay tolls or parking charges beyond that usually required by travel to their regular work area, the employee shall be reimbursed for such tolls or parking. Parking costs will not be paid to employees who are required to report to the Towson area offices on a temporary change of work location

(see No. 4 above).

6. Travel to Conferences, Workshops

Travel to approved conferences, meetings, workshops, training sessions and other work-related events shall be considered official County business. The agency head shall have the responsibility to determine whether a privately-owned or County-owned vehicle should be used for such trips. In planning travel, consideration shall be given to routes which minimize both time and cost to and from the destination.

Employees traveling on official County business are expected to exercise care in incurring expenses, and to avoid excessive or unnecessary costs by planning for the minimum amount of travel and the most economical mode of transportation to the destination. In all cases, the agency head, or designee, shall have final approval on advances and/or reimbursements for the agency's employees, consistent with the guidelines issued by the Office of Finance.

If it is determined that the most economical means of travel is by County vehicle, the "General Rules and Regulations for County Vehicles" shall be followed. Requests for overnight or out-of-state use of pool vehicles must be made prior to the first day of travel.

7. Receipts, Gratuities

Receipts will be required by the Office of Finance for expenses such as lodging, train/bus/airplane tickets, parking, tolls over \$1.00, conference/registration fees, limousine fares and cleaning allowances. Actual expenses for items such as mileage, meals, gratuities, baggage handling charges and taxis will be reimbursed according to the schedule published by the Office of Finance.

- (1) (i) *Dismemberment or paralysis.* Member shall be eligible to receive an accidental disability allowance, regardless of age, if the member has sustained any of the losses listed in the schedule below and which loss has been determined to be the direct result of bodily injury arising through an accident, independent of all other causes, occurring while in the actual performance of duty with the county at a definite time and place, without willful negligence on the part of the member. The accidental disability allowance under this section shall be an amount equal to seventy-five (75) percent of the member's average final compensation.

Addendum to the Memorandum of Understanding between the
Baltimore County Administration and the Baltimore County Federation of Public
Employees, FPE/AFT, AFL-CIO Local 4883

The undersigned parties agree that the following shall apply when an investigation or interrogation is initiated by the Baltimore County Department of Corrections or a designee of the Baltimore County correctional officers as a result of an allegation that may lead to disciplinary action, demotion, or dismissal. This Addendum to the Memorandum of Understanding is incorporated into the current MOU between the Baltimore County Administration and the Baltimore County Federation of Public Employees, FPE/AFT, AFL-CIO Local 4883.

Filing of Complaint

Complaints alleging brutality will require the complainant to attest to the truthfulness of the matter asserted in writing.

Preliminary Inquiry

- A preliminary inquiry is a fact-finding process overseen by a correctional supervisor to determine if operational procedure were appropriate and all policies and procedures have been followed.
- Actions that may be included in this process are: the submission of written reports; collection of materials or any other evidence; and informal interviews of staff or others that may assist in the determination as to whether or not a violation occurred.
- An employee who is the subject of a preliminary inquiry that the employee reasonably believes may lead to disciplinary action may request to have a Federation representative present during the interview.
- Management shall allow reasonable time for the federation representative to attend the interview, but in no case less than one (1) hour. Provided, however, that this Section will not apply where an immediate investigatory interview is an operational necessity. Supervisors will be held accountable

by the administrative officer for compliance with this Section; failure by management to comply with this Section is not grievable by the affected employee and will not affect any disciplinary action that may be taken.

At any point during the preliminary inquiry, if the individual conducting the interview reasonably believes that the employee may become a target of an investigation, the employee shall be notified of their right to counsel as if the employee was under a formal interrogation (see "Right to Counsel" section, *infra*). Any employee under administrative investigation by the Police Internal Affairs Unit shall be informed in writing of the nature of the investigation prior to any interrogation or questioning.

Investigation Procedure:

- Unless a complaint of brutality by an officer is filed within 90 days after the alleged brutality, an investigation that may lead to disciplinary action for brutality may not be initiated.
- Administrative charges may not be brought unless filed within 1 year after the alleged act. The 1 year limitations period does not apply to charges of criminal activity or excessive force.
- An officer under investigation shall be informed in writing of the name, rank, and command of: (i) the law enforcement or correctional official or other individual in charge of the investigation; (ii) the interrogating official; and (iii) each individual present during an interrogation.
- Before an interrogation, the correctional officer under investigation shall be informed in writing of the nature of the investigation.
- Formal interrogation takes place at the office of the investigating officer or another reasonable location, preferably while the officer is on duty. The correctional officer under interrogation may not be threatened with transfer, dismissal or disciplinary action.
- There shall be no audio or video recording of officer unless complainant is recorded in the same fashion. The department may conduct interviews through written correspondence.
- Upon conclusion of an investigation, the case will be deemed sustained, unsustained, unsustained with Director's note, or inconclusive.

- When an investigation results in a sustained finding, an appointee of the managing official not directly involved with the investigation will notify the officer in writing of the sustained charge(s) and offer disciplinary sanctions or non-punitive actions. The officer shall be provided a summary of the investigatory file and be given reasonable time to review and consult with counsel by conclusion of the officer's shift but not more than 24 hours before being required to accept or decline the recommended sanction.
- Should the officer accept the recommended sanction, the matter will be deemed resolved. If the officer declines the sanction or fails to respond to the sanction within 24 hours, a hearing will be scheduled.

Right to Counsel:

- Whether conducted by the Internal Affairs Unit of the Baltimore County Police Department or the Department's personnel when conducting an investigation, an interrogation shall be considered a "formal interrogation" in any case when an officer is the subject of an investigation which could lead to discipline.
- An officer under formal interrogation has the right to be represented by counsel or a representative of their choosing who shall be present and available for consultation at all times during the interrogation and hearing phases. The interrogation shall be suspended for a period not exceeding three (3) days until representation is obtained.
- Officer's counsel or representative may request a recess at any time to consult with the officer and may object to any question posed. A recess will be reasonably granted as long as it does not interfere with the interview. Objections do not absolve the officer's obligation to answer the question.
- A correctional officer may be ordered to submit to interrogations.
- Statements compelled from an officer in an administrative investigation may not be used against the officer in a criminal investigation.
- Prior to interrogation, the officer shall be provided a form regarding his/her right to counsel under the MOU and a signed copy shall be made part of the investigatory file.

Record-keeping and Availability:

- A summary of the investigatory file shall be forwarded to the officer no less than ten (10) days before a hearing.
- Investigatory summary shall contain the names of each witness, the nature of each charge, as well as any exculpatory information. All written statements shall be made available for review and copying:
- All documentary, photographic, tape recorded or video-taped evidence must be provided on site for review and preparation, to include any extrinsic evidence to be offered at the hearing.
- In order to allow the accused officer and counsel to review evidence and prepare for a hearing; the Department shall provide private work space and reasonable time for review of the complete investigatory file and any extrinsic evidence to be offered at the hearing.
- Failure to disclose the name of a witness in the investigatory or charging document will preclude the witness' testimony. However, any witnesses that come to the investigator's attention after the investigation stage has concluded may testify at the hearing if the following criteria are met:
 - a. The name(s) of the witness and substance of their testimony is immediately provided to the Department, officer and counsel;
 - b. The Department and counsel are provided an opportunity to interview the witness;
 - c. The hearing, if requested by the Department and/or counsel, shall be postponed no more than ten (10) days from the presentation of the information provided in subsection (a); and,
 - d. The witness is made available for cross-examination at the hearing or in a recorded deposition.
- No charges may be brought or evidence considered based solely upon an anonymous or undisclosed witness account.

Hearing Procedure:

- Officers shall be provided written notice of the time, place and charges to be resolved at a hearing.
- Upon a recommendation of demotion, dismissal, suspension or any similar action which is considered a disciplinary sanction, officers who are not

accused of a felony are entitled to a formal hearing before a hearing officer/panel.

- In cases where the recommendation of a disciplinary sanction includes suspension not exceeding nine (9) days, the hearing officer shall be a Captain recommended by the Department, with a right of the employee to strike the first recommended Captain.
- In cases where the recommendation of punishment includes suspension of ten (10) or more days, demotion or termination, the hearing shall be conducted by a 3 person panel selected by the Director. The panel shall consist of the Deputy Director or Major, an appointee of the Director and an officer of equal rank. The board shall contain at least one member of equal rank to the accused. The Director shall select the Chairperson.
- The charged employee shall be entitled to disqualify one member of the board, excluding the Chairperson. The disqualification must be executed within two (2) days, excluding Saturday and Sunday, of the employee being advised of the Board's appointment. In such an event, the Director will appoint a replacement to the board.
- Neither the hearing officer nor any member of a hearing panel shall have a part in the investigation or interrogation of the correctional officer. Neither the hearing officer nor any member of a hearing panel shall have direct supervisory responsibility over the personnel involved in the interrogation or investigation. This does not mean that such staff is necessarily disqualified given the hierarchy at the Department; it simply means that they cannot have directed an individual to do something with relation to the investigation/interrogation.
- The hearing shall be a full evidentiary hearing. An audio recording of the hearing shall be kept and archived for a period of 60 days after the completion process of the appeal processes or 30 days after the date of the hearing if the officer does not appeal the decision.
- A formal written record shall be introduced. Parties shall be allowed to:
 - (i) call witnesses, (ii) introduce reliable and probative evidence and (iii) request the hearing officer or chairperson to compel the appearance of witnesses. Both parties may be represented by counsel, submit rebuttal evidence, and cross examine witnesses.

- The Department bears the burden of proof and shall present their case first. The Officer shall present their case following the conclusion of the Department's case. The Officer may not be compelled to testify at the hearing, but his/her statements may be introduced by either party.
- At the conclusion of the Department's case, the hearing officer may dismiss any charge in which the Department has presented insufficient evidence to support a guilty finding.
- Evidence which would be deemed both reliable and probative by a reasonably prudent individual is admissible and shall be given probative effect.
- No Statement from a confidential witness or anonymous source may be entered into evidence. Evidence which is probative and reliable and derived from an anonymous or confidential witness may be introduced.
- The hearing officer/panel shall give effect to the rules of privilege recognized by law and shall exclude incompetent, irrelevant, immaterial, and unduly repetitious evidence.
- Each relevant record or document that either party desires to use shall be offered and made a part of the record.
- After each side has been given ample opportunity to present evidence and argument about the issues involved the hearing officer/panel shall determine whether the Department proved by preponderance of the evidence any of the charges.
- The hearing officer/panel may consult with a County Attorney and/or a Human Resource Generalist at any point in the hearing for legal advice and/or human resources' rules and regulations, however, that individual shall have no involvement in the investigation or supervision of the attorney presenting the Department's case.
- A decision, order or action taken as a result of a hearing shall be in writing and accompanied by findings of facts.
- The findings of fact shall consist of a concise statement on each charge in the case.
- A finding of not guilty of all charges by the hearing officer/panel terminates the action.
- A panel decision is based on a majority vote.

- If the hearing officer/panel finds by a preponderance of the evidence that a correctional officer is guilty of a charge, the hearing officer/panel shall: (i) allow the accused to present evidence which may mitigate any recommended punishment. Such evidence may be introduced at the hearing prior to providing a sanction, or 1 day after the hearing. (ii) consider the correctional officer's past job performance and other relevant information as factors before making a decision for disciplinary action.
- In the event the hearing panel determines that dismissal is the appropriate sanction, the hearing panel will make such recommendation to the Director;
- A copy of the decision or order, findings of fact, conclusions and written decision for action shall be delivered to the correctional officer or the correctional officer's representative of record and the managing official.
- Upon appeal, the investigatory file from Internal Affairs may be reviewed by the employee and/or his representative no less than seven (7) days prior to the hearing.

The Appeal Process:

- o 1st step: - Appeal to Director- A not guilty finding by the Director terminates the matter and requires that all back pay and benefits be awarded to the employee.
 - * Where the officer is found guilty at the hearing stage, an officer may request a mitigation hearing before the director to review the punishment handed down by the hearing officer or panel; or
 - * May request a hearing de novo before the Director.
- o 2nd step: Appeal to the Administrative Law Judge ("ALJ") – An officer may appeal the Director's decision to the ALJ for a hearing de novo. A final decision of the ALJ may be appealed by either party to the Personnel Salary and Advisory Board ("PSAB"). The ALJ has the authority to award back pay, however the award will be stayed pending the completion of an appeal by the County.

- o 3rd step: - Appeal to the PSAB within the scope of its current authority, duties, and responsibilities. A finding by the PSAB which does not result in termination is the final order in the matter.

The undersigned agree that the above procedure will be incorporated into the current Memorandum of Understanding and remain in effect until conclusion of that Agreement. It is mutually understood and agreed upon by all parties that the above procedures shall not take effect prior to July 1, 2014. Any changes to this policy shall be mutually agreed upon between the parties.

Re: Proposed One-Rate Structure and Retiree Flat Rate Technical Adjustment for Medical Eligible Retirees

Dear Mr. Ripley:

Thank you for your follow up email following our Health Care Review Committee (HCRC) virtual meeting on Monday, February 13, 2023. We met with the HCRC Labor representatives to discuss the County's proposed transition from the current bifurcated (pre-2007/post-2007) healthcare plan to a proposed uniform healthcare plan commencing in January of calendar year 2025. We were pleased to learn that the HCRC preliminarily agrees with the County's proposed changes discussed today by majority vote. Please accept this communication as written articulation of the proposed plan discussed during our meeting:

1. **For Active Employees** - create one-rate structure effective in FY 2025 / CY 2025. The rate structure will mirror pre-2007 structure and will remain at current employer subsidy levels.
2. **Pre-Medicare Retirees** - remove flat rate structure for those hired and retired after 2007 to mirror the retiree structure for those hired prior to and retired after 2007 to take effect in FY 2025 / CY 2025.
3. **Medicare-eligible Retirees Hired After 2007** – realign flat rates to account for fully-insured Labor First plan to take effect in FY 2025 / CY 2025.

At this time Baltimore County has no other substantive changes proposed for FY 2024 / CY 2024 or FY 2025 / CY 2025 with all other healthcare benefits being maintained.

We recognize that HCRC members must take the proposal to their respective bargaining units to discuss and ratify. We look forward to receiving your writing confirmation of acceptance of our proposed plan. If you have questions or need further information please feel free to contact me or Kevin Reed, Director of the Office of Budget and Finance.

Sincerely,

Re. Tentative Agreement Reached – Proposed One-Rate Structure and Medicare Eligible Retirees Flat Rate Technical Adjustments

Madam CAO Rodgers,

On February 16, 2023 Labor Representative from the Health Care Review Committee (HCRC) met via Zoom to consider the County proposed transition from the current bifurcated (pre-2007 / post-2007) healthcare plans to a one-rate structure and retiree flat rate technical adjustments for Medicare Eligible Retirees beginning January 1, 2025. Details of this proposed transition were presented on the February 13, 2023 HCRC meeting on WebEx, outlined in an email from Director Reed dated February 13, 2023 and finally outlined in a letter from CAO Rodgers dated February 16, 2023. (See HCRC Exhibits A, B & C)

To this end, I am pleased to report the HCRC Labor Representatives voted unanimously to accept as a Tentative Agreement (TA) the proposed healthcare changes presented. This TA is pending individual ratification by each bargaining group. Thank you for recognizing this deficiency that has plagued the County's ability to attract and maintain the best qualified employees. And most importantly, thank you for working with labor to end this bifurcated practice beginning January 1, 2025 without unnecessary harm to the pre 2007 employees.

Sincerely,
