**ORDER OF DISMISSAL**

This case comes to the Board of Appeals for Baltimore County (“Board”) as the result of the denial of a reserved handicapped parking space at 1419 Hopewell Avenue, Essex, Maryland 21221, by the Baltimore County Division of Traffic Engineering in a letter dated November 8, 2024, to Allen Myers.

On November 21, 2024, Allen Myers filed a Notice of Appeal from the decision of the Chief of the Division of Traffic Engineering. A remote hearing was scheduled to be held before this Board on January 28, 2025 at 11:00 a.m., for which proper notice was given.

The Board convened at 11:00 a.m. and decided to give Applicant/Appellant until approximately 11:10 a.m. At 11:11 a.m. the Board reconvened. Wesley Bohle, Traffic Inspector for the Bureau of Traffic Engineering and Transportation Planning for Baltimore County, appeared at the scheduled time of hearing on behalf of Baltimore County, Maryland. The Applicant/Appellant, Allen Myers, did not appear, nor did anyone on his behalf.

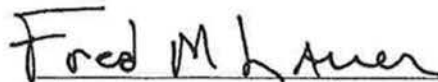

Upon consideration of the fact the hearing Notice had the correct address and was not returned, and the fact there were no telephone calls to the Board advising of a problem connecting to the WebEx hearing, the Board will dismiss this matter.
