Eligibility

In order to qualify for subsidized health insurance benefits as a retiree, the member must have 10 or more creditable years of County service prior to retirement and must be receiving a pension check sufficient to cover the retiree's share of the health plan premium deductions. (Retirees that retired prior to 7/1/2006 must have 5 or more creditable years of County service prior to retirement, in order to qualify for subsidized health insurance benefits as a retiree).

Former Baltimore County employees are eligible to take advantage of the plans offered by RetireeFirst through the Private Medicare Exchange, regardless of years of service. You will be responsible for 100% of the premium as billed by RetireeFirst.

Dependent Eligibility

- **Spouse** (opposite and same sex marriage must be legally recognized)
- **Widow/Widower**
- **Dependent child who is:** The retiree of spouse's child by birth or legal adoption recognized under Maryland Law that is currently enrolled in Medicare.

Eligible dependents are required to have legal standing and/or legally sufficient documentation for residency in the United States while included on the County health plans.

Medicare Retiree Eligibility (Due to Age or Disability)

Baltimore County requires that as soon as a retiree or spouse of a retiree is eligible for Medicare due to age or disability, they accept Medicare as their primary health insurance. It is very important to obtain both Part A (Hospital) and Part B (Medical) of Medicare.

Typically, Medicare becomes effective the first day of the month in which you reach age 65 or otherwise become eligible due to disability. For additional information regarding Medicare, please contact Social Security Administration. Once enrolled in Medicare, you or your spouse will be eligible to enroll in a Medicare Advantage, Medicare Supplemental and/or Part D prescription plans offered through RetireeFirst. Please notify RetireeFirst at (410) 431-2226 (TTY 711) as soon as you are enrolled in Medicare to discuss your Medical and Prescription plan options. Dental and Vision enrollments will still be administered by Baltimore County Government.

What If My Spouse or I are Not Eligible for Medicare?

You may not be eligible for Medicare if you did not work the number of quarters required by the Social Security Administration. If you do not qualify on your own, you may qualify for spousal coverage. You will need to contact your local Social Security office to determine whether you can enroll in Medicare. Those few retirees not eligible for Medicare, either on their own or through a spouse, should contact the Insurance Division upon reaching their 65th birthday to discuss their options.

What if I Become Eligible for Medicare, but My Spouse is Not Yet Eligible?

You will be enrolled in a Medicare Advantage, Medicare Supplemental plan and/or Prescription plan and your spouse can continue in a non-Medicare plan until they are eligible for Medicare (same applies if spouse is eligible before retiree). You will pay a rate by enrollee for coverage in each of the plans.
