DPWT Planning Presentation

Lauren Buckler, Director 111 W. Chesapeake Avenue, RM 307 410.887.4120

SOLID WASTE

- Serves 250K singlefamily homes & 88K multi-family units.
- Transferred 605K tons of municipal solid waste.
- Processed 65K tons of recyclables, generating \$6.5M for the County.

COMPOSTING

- Pilot program began with 100 homes in Jan. '24.
- Collected 318 tons of organic material.
- Plans to expand program in FY '26.

MATERIALS RECOVERY FACILITY (MRF)

- Seeking to expand existing recycling program.
- Exploring options to replace the current MRF.
- Grant-funded study expected to be completed in 2025.

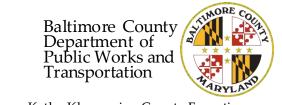

EASTERN SANITARY LANDFILL

- MDE permitting vertical expansion of site.
- Expansion expected to increase lifespan by at leas 7 years.
- Estimated current lifespan is 2033.

HIGHWAYS

PAVEMENT MANAGEMENT SYSTEM

- Tangible, objective to assess roads through Pavement Condition Index.
- Serves as a compass for setting goals.
- Plans to reassess roads every 3 years.

OUR NUMBERS

8793

Roads Crew Chiefs

50 ~7.296

Roads/Crew Chief Lane Miles of Road

33

\$11 Million

Current Budget

Estimated Cost to Get all Roads

\$399 Million

Up to Average

71

Average PCI for County Roads

PAVEMENT MANAGEMENT ACCOMPLISHMENTS

- Successfully resurfaced 143 lane miles.
- Replaced 47 lane miles of concrete curbs and gutters.
- Process could extend life of roads by 10 years or more.

UTILITIES

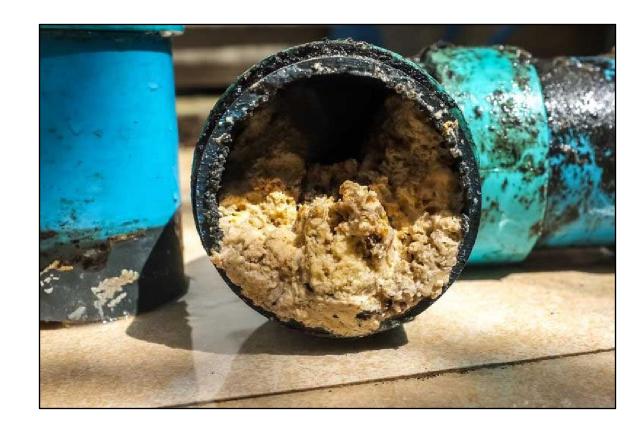

- Maintains more than 3,000 miles of sewer lines.
- Tasked with upkeep and operations of 2,600 sewer grinder pumps.
- Rebuilt and recirculated 301 pumps, saving County \$750K.

FOG (Fats, Oils and Grease)

- Collaborates with Dept. of Health to address issue in downtown Towson.
- Inspected 30 high-risk FOG generators, resulting in notable buildup reduction.
- Ongoing inspections scheduled.

SYSTEM MAINTENANCE

- Responsible for emergency response, preventative maintenance.
- Proactively cleaned 1,610 pipe segments through the year.
- Proven effective in eliminating blockages, preventing backups and averting sewer overflows.

SEWER MAINTENANCE

- Completed 606 sewer repairs and 622 storm drain repairs in 2024.
- Repairs encompassed inlets, manholes, pipes, outfalls, connections.
- Capital budget for Storm Drain section is \$1M biannually.

METRO

- Net incomes increased \$12M from last year; \$21M from 2 years ago.
- Average customer appeals response down decreased from 63 days to 15 days.
- New, modern online billing portal set to launch in January '26.

TRANSPORTATION

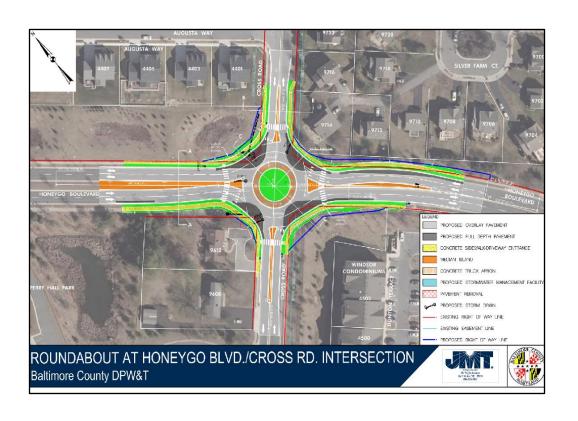

- Updating our Strategic Highway Safety Plan.
- Applying proven safety measures in high-risk areas in collaboration with communities, transportation agencies.
- Working toward advancing, implementing Vision Zero Plan.

HONEYGO BOULEVARD ROUNDABOUT

- Proceeding to 60% design; completion expected in summer.
- Final design, land acquisition anticipated by Spring 2025.
- Construction expected to take 12 to 15 months.

TRAIL EXPANSIONS/ADDITIONAL SAFETY MEASURE

- Feasibility studies, design work continues for several key trails.
- Trails create safer, more accessible routes for everyone.
- Expansion hopeful for LED sign technology.

ENGINEERING

- Current work includes:
 - 68 development plans
 - 84 active design projects
 - 10 advertised construction contracts
 - 12 projects for other agencies

SEWER PROJECTS

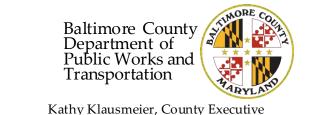

- Installed 3 miles of new sewer mains.
- Rehabilitated 33 miles of sewer mains.
- Replaced and installed 6.5 miles of water mains.
- Work continues on 6 active water & sewer pumping station improvement projects.

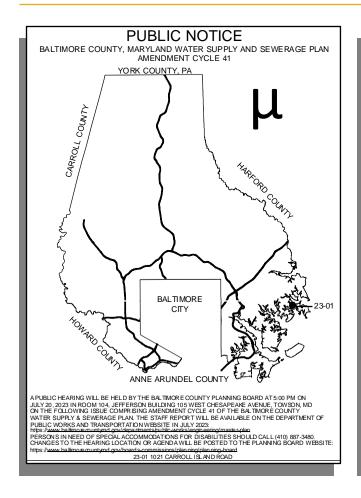

ADDITIONAL ENGINEERING WORK

- Partnered with PAI for 1st year of developer securities cost increase.
- Surveying Division assisting Solid Waste with monitoring landfill capacity.
- Conducted 9 drone flights over landfill to assess active cell & rate its being filled.

WATER SUPPLY AND SEWAGE PLAN

Baltimore County Water Supply and Sewerage Plan

2023 Triennial Review

Draft Report of the Review as submitted to the Baltimore County Planning Board

September 21, 2023

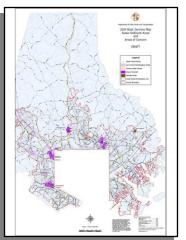

Errata & Addenda

- 1. Insert County Council Resolution
- 2. Insert Transmittal Letter from DPW&T Director to MDE

Errata & Addenda

1. Insert Final Action Letter from MDE Director

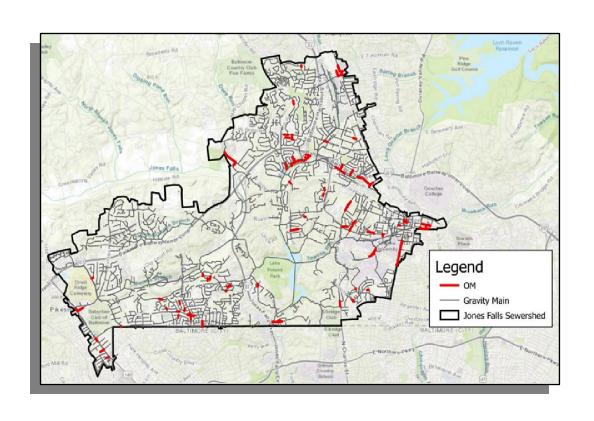

JONES FALLS SEWERSHED

- Invested \$28M since 2013.
- Funds used for relining pipes, replacing valves, conducting smoke and dye testing, installing new pipelines.

 Estimated \$13M in future projects planned.

CONSENT DECREE UPDATE

- Spent \$900M addressing overflow structures in sewer system.
- Additional \$550M projected for additional projects already accounted for in 6-year CIP.
- DPWT closed 34 of 44 overflow structures.

Thank You!
