BALTIMORE COUNTY, MARYLAND
General Instructions for Solicitations

1. Instructions, Forms and Specifications

1.1 All bids/proposals are to be submitted on and in accordance with the forms provided by the Division of Procurement Services. All bids must be submitted in a sealed envelope/carton or electronically as specified in the General Conditions. All bids must be clearly identified with the SOLICITATION NUMBER and the DUE DATE and TIME for mailed and/or hand-delivered submittals and SOLICITATION NUMBER for electronic submittals. Bid times are either Eastern Standard Time or Eastern Daylight Time, whichever prevails. Late bids will not be considered.

1.2 Responses to Requests for Bids and Requests for Proposals shall be accompanied by an executed Procurement Affidavit, as provided by the Division of Procurement Services. This does not apply to Requests for Quotations.

1.3 Amendments to solicitations often occur prior to bid opening and sometimes within hours prior to bid opening. All bidders are responsible for frequently visiting the Procurement Services web site to obtain amendments once they have downloaded a solicitation.

1.4 Additional information or clarification of any of the instructions or information contained herein may be obtained from the Division of Procurement Services. The County assumes no responsibility for oral instructions or suggestions. All official correspondence in regard to this solicitation must be directed to, and will be issued by, the Division of Procurement Services.

1.5 Bidders finding any discrepancy in or omission from the specifications, in doubt as to meaning, or asserting that the specifications are discriminatory, shall notify the Division of Procurement Services in writing at once, but in no case later than five (5) business days prior to the scheduled opening of bids. Exceptions stated do not obligate the County to change the specifications. The Division of Procurement Services will notify all bidders in writing, by amendment duly issued, of any substantive revisions to specifications or instructions.

1.6 Unless a written exception detailing non-conformance to specifications is noted on the bid, any part number, product number, catalog number, etc., noted on the bid will be considered in full compliance with the specifications.

1.7 Submission of a bid in response to this solicitation evidences the bidder's acceptance of these General Instructions and the terms and conditions of the solicitation. Submission of a bid evidences bidder's representation and warranty that the person submitting the bid response is authorized to act for and bind the contractor.

1.8 All original and duplicate bids/proposals and other attachments, related documents and correspondence, including all follow-up documents and correspondence, shall be typed or written in English. All prices/percentages and/or other monetary figures shall be in United States dollars.

1.9 Requests for Bids and Requests for Proposals should be accompanied by an electronic version (Compact Disc) of the bid proposal in PDF format. It shall be the bidder's responsibility to verify that the electronic version is complete. The electronic version of the non-successful proposal response will be the only version retained by Baltimore County. The Compact Disc must be labeled with the bid number, the bid title, and the bidder's name submitting the response. All bids must be submitted in a sealed envelope or carton as appropriate. This does not apply to Requests for Quotation.

1.10 Issuing Officer: The sole point of contact for the County for purposes of this solicitation is the Buyer, listed on the cover page; questions regarding any aspect of the competitive process must be directed to the Buyer, in writing.

2. Award of Solicitations

2.1 Any award pursuant to Requests for Quotation and Requests for Bid is made to the lowest responsive and responsible bidder following the public opening of bids under Section 10-2-406 of the Baltimore County Code, 2003, as amended.

2.2 Awards on Requests for Quotations and Requests for Bid will be made within sixty (60) days after bid opening unless otherwise indicated in this solicitation. No bidder will be allowed to withdraw a bid during that period.

2.3 The successful bidder may be required to give security or bond, as stated in the bid document, for performance of the contract.

2.4 When there is a conflict between the unit price or percentage and the extension, the unit price or percentage will prevail as the amount of the bid.

2.5 Cash discounts will be considered in determining awards. However, cash discount offers must allow not less than 30 days to be considered in bid evaluation. A bid offering a cash discount in a period of less than 30 days will be evaluated as a bid without a discount offer; however, should that bidder obtain award by consideration of the gross price, the County shall make every effort to obtain the discount. The County will not

accept any payment terms with a period of less than 30 days.

2.6 Invoices against resulting order(s) must be submitted, in duplicate, to the Office of Budget and Finance, Disbursements Section, 400 Washington Avenue, Room 148, Towson, Maryland 21204-4665. Invoices must show the vendor's Federal Tax Identification Number or Social Security Number, as appropriate, and order number and line number(s) that correspond with resulting order(s).

2.7 The County will not pay interest charges or other penalties for invoice payments.

2.8 Prices quoted shall be exclusive of all non-applicable Federal and Maryland State taxes. Tax exemption certificate will be furnished if required.

2.9 The County reserves the right to consider making payments via electronic funds transfers (EFT) on contracts for which this payment vehicle may be appropriate.

3. Reservations

3.1 The County reserves the right to reject, in whole or in part, any and all bids received, and to make a whole award, multiple awards, a partial award, or no award, to best serve the public interest.

3.2 The County may waive formalities in bids as the interests of the County may require.

3.3 The County reserves the right to increase or decrease quantities by approximately twenty (20) percent to be purchased at the prices bid.

3.4 The County reserves the right to award solicitations or place orders on a lump sum or individual item basis, or in such combination as to best serve the public interest.

3.5 The County may waive minor differences, irregularities, and technicalities in the specifications, provided they neither violate the specifications intent, materially affect the operation for which the items or services are being purchased, nor increase estimated maintenance and repair costs to the County.

3.6 At any time during normal business hours and as often as the County may deem necessary, the Contractor shall make available to and permit inspection and photocopying, by the County, its employees or agents, of all records, information and documentation of the Contractor related to the subject matter of this contract, including, but not limited to, all contracts, invoices, payroll, and financial audits.

3.7 Notwithstanding any other terms or provisions of the contract, in the event the County is temporarily or permanently prevented, restricted or delayed in the performance of any or all of the duties and obligations imposed upon or assumed by it thereunder, by act of the General Assembly of Maryland or the Baltimore County Council, by a court of competent jurisdiction or by administrative delay not due to the fault of the County (and its members and agents) shall not be liable directly or indirectly for any claims caused to or suffered by the Contractor or any other person in connection with or as a result of such prevention, restriction or delay.

3.8 The County further reserves the right to make such investigation as it deems necessary to determine the ability of bidders to furnish the required services, and bidders shall furnish all such information for this purpose as the County may request. The County also reserves the right to reject the proposal of any bidder who is not currently in a position to perform the contract, or who has previously failed to perform similar contracts properly, or in a manner acceptable to the County, all of which shall be in the County's sole discretion.

4. Delivery

4.1 Bidders shall guarantee delivery of materials in accordance with the delivery schedule stated in specifications. All items shall be delivered F.O.B. Destination/Inside Delivery, unless otherwise indicated, with delivery costs and charges included in the bid price.

4.2 The County reserves the right to charge the Contractor or vendor for each day the materials, supplies, or services are not delivered in accordance with the delivery schedule. The sum established by the specifications may be invoked at the discretion of the Procurement Services Agent, said sum to be considered not as a penalty, but as liquidated damages, and deducted from final payment, or otherwise, charged to the Contractor or vendor. This remedy is not exclusive but shall be in addition to all other rights and remedies available to the County. These liquidated damages shall be in addition to any and all actual damages incurred directly or indirectly by the County, its agents, assigns, and contractors.

4.3 All bidders and vendors are to ensure that packaging materials used for this requirement are not made of non-recyclable Styrofoam (Polystyrene). Additionally, any materials used in packing to cushion, protect and ship are to be made of recycled, recyclable or biodegradable materials.

5. Competition

5.1 The name of any manufacturer, trade name, or vendor catalog number mentioned in the specifications is for the purpose of designating a standard of quality and type, and for no other purpose unless otherwise stated in the solicitation.

5.2 A bidder may offer a price on only one unit per line item. Even though two or more units may meet the specification, bidders must determine for themselves which to offer. Submission by a bidder of prices for more than one unit shall be sufficient cause for rejection of the bid for that specific item.

5.3 Bids which show omission, irregularity, alteration of forms or additions not called for, as well as conditional or unconditional unresponsive bids, or bids obviously unbalanced, may be rejected.

5.4 All bids must be accompanied by such descriptive literature as may be called for by the specifications or proposal.

5.5 If products to be provided to the County contain any substances that could be hazardous or injurious to a person's health, a material safety data sheet (MSDS) must be provided to the Division of Procurement Services. This applies also to any product used by a Contractor when providing a service to the County.

5.6 Specifications are based on County needs and uses, estimated costs of operations and maintenance, and other significant and/or limiting factors to meet County requirements, and to ensure consistency with County policies. Minimum specifications, and maximum specifications where included, are not established arbitrarily to limit competition or to exclude otherwise competitive bidders.

5.7 Unless multiple or alternate bids are requested in the solicitation, these bids may not be accepted. However, if a bidder clearly indicates a base bid, it shall be considered for award as though it were the only bid submitted by the bidder.

6. Terminations

6.1 Termination for Convenience: The County may terminate a contract, in whole or in part, without cause, by providing written notice thereof to the Contractor. In the event of termination, without cause, the County shall advise the Contractor in writing of the termination date and of work to be performed during the final days prior to contract termination. The Contractor shall be paid for all reasonable costs incurred by the Contractor up to the date of termination set forth in the written notice of termination.

The Contractor will not be reimbursed for any anticipatory profits, which have not been earned up to the date of termination. Payments to be provided on a lump sum basis shall be prorated by the County based on the services rendered or goods delivered up to the date of termination set forth in the written notice.

6.2 Termination for Default:

6.2.1 In addition to other available rights and remedies, the County shall have the right upon the happening of any default, without providing notice to the Contractor: 1) To terminate a contract immediately, in whole or in part; 2) To suspend the contractor's authority to receive any undisbursed funds; and/or 3) To proceed at any time or from time to time to protect and enforce all rights and remedies available to the County, by suit or any other appropriate proceedings, whether for specific performance or any covenant, term or condition set forth in the contract, or for damages or other relief, or proceed to take any action authorized or permitted under applicable law or regulations.

6.2.2 Upon termination of a contract for default, the County may elect to pay the Contractor for services provided or goods delivered up to the date of termination, less the amount of damages caused by the default, all as determined by the County in its sole discretion. If the damages exceed the undisbursed sums available for compensation, the County shall not be obligated to make any further disbursements hereunder.

6.3 Funding Out: If funds are not appropriated or otherwise made available to support contract continuation in any fiscal year, the County shall have the right to terminate the contract without prior notice to the Contractor and without any obligation or penalty.

7. Hold Harmless – Indemnification

7.1 The Contractor shall defend, indemnify and hold harmless the County, its employees, agents and officials from any and all liabilities, claims, suits, or demands including attorney's fees and court costs which may be incurred or made against the County, its employees, agents or officials resulting from any act or omission committed in the performance of the duties imposed by and performed under the terms of the contract. The Contractor shall not be responsible for acts of gross negligence or willful misconduct committed by the County.

7.2 The Contractor shall also defend, indemnify and hold harmless the County, its employees, agents and officials from any and all liabilities, claims, suits, or demands including attorney's fees and court costs

which may be made against the County, its employees, agents or officials by any third party arising from the alleged violation of any third party's trade secrets, proprietary information, trademark, copyright, patent rights, or intellectual property rights in connection with the contract.

7.3 Unless notified in writing by the County to the contrary, the Contractor shall provide defense for the County, its employees, agents and officials in accordance with this Article and in doing so the Contractor shall allow the County to participate in said defense of the County, its employees, agents and officials, to the extent and as may be required by the County and the Contractor shall cooperate with the County in all aspects in connection therewith. All filings, actions, settlements, and pleadings shall be provided to the County for comment and review prior to filing or entering thereof. 9.2 Bidders desiring to appeal a decision of the Division of Procurement Services must deliver written protests to the Division of Procurement Services within 10 days of notification of award. The Procurement Services Agent or designee will review the protested decision, examine any additional information provided by the bidder and respond in writing within 10 working days of receipt of written protests.

9.3 Instructions, Specifications, and Proposals are issued, and all bids, quotations, orders, and purchases are made pursuant and subject to the provisions of the

12.3 Any litigation arising out of or relating in any way to the contract or the performance thereunder shall be brought only in the courts of Maryland, and the Contractor hereby irrevocably consents to such jurisdiction. To the extent that the County is a party to any litigation arising out of or relating in any way to the contract or the performance thereunder, such an action shall be brought only in a court of competent jurisdiction in the courts of the State of Maryland.

13. Severability: If any provisions in the contract are declared by a court or other lawful authority to be unenforceable or invalid for any reason the remaining provisions hereof shall not be affected thereby and shall remain enforceable to the full extent permitted by law.

14. Counterparts: The contract may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original and all of which taken together shall constitute but one and the same instrument.

15. Survival: The provisions of paragraphs 1.7 (Representations and Warranties), 4.2 (Damages), 7 (Indemnification), and 10 (HIPAA) shall survive delivery of commodities and/or performance of services.

16. No Waiver, Etc.: No failure or delay by the County to insist upon the strict performance of any term, condition or covenant of the contract, or to exercise any right, power, or remedy consequent upon a breach thereof, shall constitute a waiver of any such term, condition, or covenant or of any such breach, or preclude the County from exercising any such right, power, or remedy at any later time or times.

First Source Hiring Agreement Overview

What is First Source Hiring?

Baltimore County's First Source Hiring Agreement requires that developers, contractors, and employers utilize good faith efforts toward employing economically disadvantaged Baltimore County residents in newly created positions on applicable projects. These efforts are supported by Baltimore County's workforce development system, a partnered network of business and economic development professionals, education and training providers, and human service agencies working together systematically to provide a ready supply of qualified workers to employers with hiring needs. The intent of First Source is to connect these individuals with new jobs that are generated by the County's investment in contracts or public works; or by business activity that requires approval by the County's Department of Economic and Workforce Development.

The goals of the First Source Hiring Agreement are to:

- Increase awareness of the resources, services and potential benefits available to help Baltimore County employers meet their workforce needs; and,
- Give economically disadvantaged individuals the first opportunity to apply for new jobs in Baltimore County.

Which businesses can participate in First Source Hiring?

1. Businesses who have leases with the County or on County property; or,
2. Businesses with County contracts for goods, services, and grants under \$300,000 which are projected to create new jobs/positions to fulfill contract terms

How can first source help your business?

Baltimore County Department of Economic & Workforce Development's (DEWD's) Business Services Team can help coordinate recruitment services with our workforce partners in collaboration with our three Baltimore County Career Center locations to assist with finding pre-screened, qualified candidates.

Available services may include but are not limited to:

- Posting and promotion of employment opportunities through our network of service providers
- Access to diverse talent pools from within Baltimore County's workforce system
- Access to Baltimore County Career Centers for coordinated recruitment/interviewing activities
- Referral of pre-screened, qualified candidates for employer consideration
- Assistance with using the Maryland Workforce Exchange - a statewide job database and candidate matching platform

- Information on earning tax credits and other employer benefits for new hires (if applicable)
- Workforce and Business Services staff to assist you throughout your recruitment efforts

I'd like to participate in First Source Hiring...Where do I start?

Step #1: Register your business with the [Maryland Workforce Exchange](#). This is an online database to track First Source Hiring job opportunities. As an employer, the Maryland Workforce Exchange can help you promote job openings, search for qualified candidates and share placement information.

Step #2: Businesses or non-profits who receive a non-construction or professional services contract from Baltimore County under \$300,000 are required to project the number of job openings they expect during the contract period. After registering your business with [Maryland Workforce Exchange](#), complete the **First Source Hiring Description Form** and email it to the Baltimore County Department of Economic and Workforce Development (DEWD) at firstsourcehire@baltimorecountymd.gov . If you have any questions about registering with MWE or completing the form, contact our office at 410-887-8000.

Step #3: Once you are registered in MWE and Baltimore County receives your **First Source Hiring Description Form** via email, you will be contacted by a member of the Business Development Team to assist with recruitment for your open positions.

Helpful Tips:

Businesses that qualify are asked to post their openings with Baltimore County's First Source Hiring network of service providers, and offer the County the first opportunity to refer qualified candidates to those positions. While the agreement does not require an employer to hire a specific candidate, it does ask that employers make a good faith effort to hire referrals from the County's workforce development system. We ask that employers would report basic information for any new hires by entering the placement data in the Maryland Workforce Exchange, or by completing an Employment Verification and Employer Survey Form (see FORM 2 attached) or via email at the completion of your recruitment activities.

BALTIMORE COUNTY, MARYLAND **MBE/WBE PARTICIPATION SUMMARY**

Executive Order: Minority business enterprises and women business enterprises (MBE/WBE) shall have the maximum opportunity to participate in the performance of contracts financed in whole, or in certain circumstances, in part with County funds. Accordingly, on December 6, 2022, the County Executive adopted the EXECUTIVE ORDER No. 2022-005 addressing MBE/WBE participation in County contracts. The Executive Order may be found on the Baltimore County website at www.baltimorecountymd.gov/go/mwbe.

Each Contract: The County shall establish a minimum MBE/WBE participation amount for each contract, as applicable.

Bidder/Officer Responsibility: The bidder/officer shall ensure that MBE/WBE participation occurs in accordance with the contract requirements and the County Executive's Executive Order. All bidder/officers shall ensure that MBE/WBE have the maximum opportunity to compete for and perform County contracts, as applicable. Baltimore County, Maryland, and/or its bidders/officers and contractors shall not discriminate on the basis of race, color, national origin, disability or sex in the award and performance of any County contract.

APPROVED MBE/WBE LISTINGS

Published compilations of approved and certified MBE/WBE, contractors, subcontractors, material suppliers, etc. include:

1. DIRECTORY OF MINORITY BUSINESS ENTERPRISE (MDOT):
<https://marylandmdbe.mdbecert.com/>
2. MINORITY BUSINESS DIRECTORY OF THE CITY OF BALTIMORE:
<http://cityservices.baltimorecity.gov/mwboo/>

BIDDER/OFFEROR'S ACTIONS

Seeking Firms: The bidder/officer will seek commitments by subcontract or otherwise from MBE/WBE firms for supplies and/or services, any combined value of which equals or exceeds the required percentage of MBE/WBE participation goal for the County contract. However a MBE/WBE Prime that affirms its MBE/WBE status on the Minority and/or Women Prime Participation Affidavit may count up to 50% of the goal.

1. Expenditures for Materials and Supplies: **REGULAR DEALER**: A firm that owns, operates, or maintains a store, warehouse, or other establishment in which the materials or supplies required for the performance of the contract are bought, kept in stock, and regularly sold to the public in the usual course of business. To be a regular dealer, the firm must engage in as its principal business and in its own name, the purchase and sale of the products in question. A regular dealer in such bulk items as cement, gravel, stone and petroleum need not keep such products in stock, if it owns or operates distribution equipment. Brokers and Packagers shall not be regarded as manufacturers or regular dealers within the meaning of this section.

A **Regular Dealer** must be engaged in selling the product in question to the public. This is important in distinguishing a **Regular Dealer**, which has a regular trade with a variety of customers, from a firm which performs supply-like functions on an ad hoc basis or for any one or two contractors with whom it has a special relationship.

A business that simply transfers title of a product from manufacturer to ultimate purchaser (e.g. broker or sales representative who re-invoices a product from the

BALTIMORE COUNTY, MARYLAND
MBE/WBE PARTICIPATION SUMMARY

producing company to the recipient or contractor) or a firm that puts a product in a container for delivery **would not** be considered a **Regular Dealer**.

A supplier of bulk goods may qualify as a **Regular Dealer** if it either maintains an inventory or owns or operates distribution equipment. With respect to the distribution equipment (e.g., a fleet of trucks), the term "operates" is intended to cover a situation in which the supplier leases the equipment on a regular basis for its entire business. It is not intended to cover a situation in which the firm simply provides drivers for trucks owned or leased by another party, (e.g., a prime contractor) or leases such a party's trucks on an ad hoc basis for a specific job.

Any participating DBE/MBE must serve a commercially useful function on a contract and not function as a broker, unless certified as a broker (insurance, real estate, etc). A firm is considered to perform a commercially useful function when it executes a distinct element of work by actually performing, managing and supervising the work involved and/or negotiating the cost of, arranging and accepting delivery of, and paying for the materials or supplies required for the work of its contract. **A contractor may count toward its DBE/MBE goal 60 percent of its expenditures for materials and supplies required under the contract and obtained from a DBE/MBE, regular dealer and 100 percent of such expenditures to a DBE/MBE manufacturer.**¹

2. Customary Fees: Fees may be counted by a contractor towards its DBE/MBE goals for the following expenditures to DBE/MBE firms that are not manufacturers or regular dealers:
 - a. The fees or commissions charged for providing a bona fide service, such as professional, technical, consultant or managerial services and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies required for performance of the contract, provided that the fee or commission is determined by the County to be reasonable and not excessive as compared with fees customarily allowed for similar services.
 - b. The fees charged for delivery of materials and supplies required on a job site (but not the cost of the materials and supplies themselves) when the hauler, trucker, or delivery service is not also the manufacturer of or a regular dealer in the materials and supplies, provided that the fee is determined by the County to be reasonable and not excessive as compared with fees customarily allowed for similar services.
 - c. The fees or commissions charged for providing any bonds or insurance specifically required for the performance of the contract, provided that the fee or commission is determined by the County to be reasonable and .not excessive as compared with fees customarily allowed for similar services.

Information to be supplied: All bidders/offerors shall submit the following information to the County at the time of bid submission:

1. The name of an employee designated as the bidder/offeror's liaison to the County's Minority Business Enterprise Unit.

MBE/WBE PARTICIPATION SUMMARY

4. The County in its sole discretion and/or upon written request may require additional reports regarding MBE/WBE.
- a. **Prompt Payment of Subcontractors**: It is the policy of the Baltimore County Government MWBE Office that a contractor shall promptly pay a subcontractor any undisputed amount to which a subcontractor is entitled under a procurement contract.

The Prime Contractor agrees to pay each subcontractor under this contract for satisfactory performance of its responsibilities under the applicable subcontract within 30 days of the subcontractor's satisfactory completion of the work as accepted by Baltimore County, Maryland. The Prime Contractor agrees further to return retainage payments to each subcontractor within 30 days after the subcontractor's satisfactory completion of work. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of Baltimore County, Maryland. This clause applies to both MBE/WBE and non-MBE/WBE subcontracts.

1. The Prime Contractor must include in its subcontracts language providing that the Prime Contractor and the subcontractors will use appropriate alternative dispute resolution mechanisms to resolve payment disputes.
2. The Prime Contractor will not be reimbursed for work performed by subcontractors unless and until the Prime Contractor ensures that the subcontractors are promptly paid for the work they have performed.

DETERMINATION OF BID RESPONSIVENESS

Subject: Compliance Reporting - Penalties

Baltimore County, Maryland (the "County") requires all Prime Contractors and all Subcontractors to submit monthly reports through an online MBE/WBE Compliance Portal (PRISM). The Portal can be found under Compliance Reporting for Primes and Subcontractors at www.baltimorecountymd.gov/go/mwbe.

The County has found that a number of companies are failing to file reports in a timely manner, which makes it difficult for the County to verify compliance. As a result, the County has determined to assess penalties for non-compliance, effective September 1, 2018, as follows:

- (a) For failure to file timely monthly reports:
 - a. Assessment of a late fee of \$10 per day per task, up to a maximum of \$1,500 per task; and/or
 - b. For multiple violations, termination of the contract for convenience or for default, with the contractor suspended from participating in County contracts for five (5) years.
- (b) For failure to meet MBE/WBE requirements:
 - a. Assessment of a penalty of up to 10% of the contract value; and/or
 - b. Termination of the contract for convenience, with the contractor suspended from participating in County contracts for five (5) years together with assessment of a penalty of up to 10% of the contract value; and/or
 - c. Termination of the contract for default together with assessment of a penalty of 10% of the contract value.

Each action and/or remedy described above is at the sole discretion of the County, and is in addition to any damages which the County may be entitled to under the contract.

This short video can be used as guidance on submitting the Prime to Subcontractor Payment Reporting:

http://stage.prismcompliance.com/etc/movies/vendor_contractpayment_tutorial.htm

If after contract expiration, it has been determined the MBE/WBE firms named were not used or were under used, by the contractor and supporting documentation was not provided and approved by the County the contractor may be assessed a penalty of up to 10% of the contract value and/or suspended from participating in County contracts for 5 years.

Questions regarding this correspondence and/or the use of this system can be directed to the MBE Office at mwbe@baltimorecountymd.gov or call (410) 887-3407.

The successful Contractor shall estimate the participation level (for the full term of the contract) for each subcontractor and/or suppliers listed on the participation schedule.

14.3 The Prime shall make a genuine good faith effort to comply with the Baltimore County MBE/WBE minimum participation goal even if the Prime Contractor has the capability to complete the work with its own workforce. 23. PREVAILING WAGE AND LOCAL HIRING LAW.

- 23.1 The Contractor and all Subcontractors must comply with the Prevailing Wage Law and Local Hiring Requirements contained in Baltimore County Code § 10-2-506 and § 10-2-507, respectively, as amended. Prevailing wage means the wage rate paid by employers that is determined by a governmental authority, based upon a particular geographic area, for a given class of labor and type of project. The County will use the prevailing wage established by the State of Maryland Commissioner of Labor and Industry for state funded construction contracts in the county at the time of award. These rates include the basic hourly rate and fringe benefits. Apprentices must be paid at least the rate that the state's apprenticeship and training council sets for an apprentice in the trade involved, based on a percentage of the prevailing wage rate in that trade. Any Contractor that is subject to the prevailing wage or local hiring law will be required to agree to the below provisions:
- 23.2 For the purposes of these requirements, an employee means an apprentice, laborer or mechanic employed by a contractor or subcontractor on a capital improvement project with a value of over \$300,000 and a County-subsidized capital project with a value over \$5,000,000.
- 23.3 Capital Improvement Project does not include blanket order or open end agreements, capital improvement projects subject to a federal or state prevailing wage law, awarded without competition; with another governmental entity; to the extent the contractor is precluded from compliance by the terms of any federal or state law, contract or grant; entered into pursuant to Baltimore County Code § 10-2-310(e); entered into as a joint or cooperative purchase or entered into as an emergency purchase.

- 23.4 The purpose of a prevailing wage is to ensure that contractors institute local hiring practices for Capital Improvement contracts and Capital Projects under certain circumstances as required by law, and that the Contractor's employees who work on capital improvement contracts are paid the going rate for their services. The prevailing wage rates are established by the State of Maryland Department of Labor and apply to all of the Contractor's employees and any and all Subcontractors. The Contractor and all Subcontractors must comply with all of the requirements of the Prevailing Wage Law including, but not limited to, the following:
- 23.4.1 Pay employees the prescribed rate as annually established by the State of Maryland Commissioner of Labor and Industry; the prevailing wage rates in effect on the date a solicitation is issued will apply throughout the term of a contract resulting from that solicitation. Contractor or subcontractor may NOT split or subdivide a capital improvement contract, pay an employee through a third party, treat an employee as a subcontractor or independent contractor to avoid any requirement of the County's prevailing wage law; or employ an individual classified as a helper or trainee to perform direct and measurable work on a capital improvement contract.
 - 23.4.2 Pay employees at a rate equal to or more than the prevailing wage rate currently in effect for the type of work performed
 - 23.4.3 Pay employees overtime for work (I) more than eight hours in any single calendar day; (II) more than 40 hours in a work week; or (III) on a Sunday or a legal holiday.
 - 23.4.4 Classify employees in their proper work classification in conformance with the schedule established by the State of Maryland Commissioner of Labor and Industry.
 - 23.4.5 May only make fair and reasonable deductions that are (1) required by law; (2) authorized in a written agreement between an employee and contractor or subcontractor signed at the beginning of employment that concerns food, sleeping quarters, or similar items; and submitted by the contractor or subcontractor to the Director of the County's Prevailing Wage Program; or required or allowed by a collective bargaining agreement between a bona fide labor organization and a contractor or subcontractor.
 - 23.4.5.1 Electronically submit a certified copy of payroll records through <https://baltimorecounty.prismcompliance.com/> within 14 days after the end of each payroll period, to verify that Prevailing Wage rates have been paid to employees.
 - 23.4.6 Payroll records shall contain a statement signed by the contractor or subcontractor certifying that the payroll records are complete and correct; the wage rates are not less than required by the Prevailing Wage law; and the rate of pay and classification for each employee accurately reflects the work the employee performed.
 - 23.4.7 All payroll records shall include the name, address, telephone number and email address of the contractor or subcontractor; the name and location of the job; and each employee's name, current address, unless previously reported; specific work classification; daily basic time and overtime hours; total basic time and overtime hours for the payroll period; rate of pay; fringe benefits by type and amount; and gross wages. Late submission of copies of any payroll records may be deemed deficient by the County until the required records are provided, and the County may postpone processing payments due under the Contract or under an agreement to finance the Contract.

- 23.4.8 Submit to random or regular audits and investigation of any complaint of a violation of the County's prevailing wage and local hiring laws and requirements.
- 23.4.9 Make best efforts to fill at least 51% of new jobs required to complete the capital improvement contract or capital project with Baltimore County residents.
- 23.4.10 Agree that any and all disputes will be handled as set forth in the County's Prevailing Wage and Local Hiring laws as a condition of award
- 23.4.11 Submit monthly reports on the form designated by and to the Director of the Department of Economic and Workforce Development relating to local hiring with respect to a capital improvement contract over \$300,000 and County-subsidized capital project receiving assistance over \$5,000,000 that includes 1) the number of new hires needed for the contract or project, 2) the number of County residents hired during the reporting period, 3) the total number of all employees hired during the contract period, 4) best efforts made to fill open positions with County residents, and 5) for new hires name, last four (4) digits of the social security number, job title, hire date, address and referral source.
- 23.4.12 In the event the County determines that a provision of the Prevailing Wage Law has been violated, the County shall issue a written decision, including appropriate sanctions, and may withhold payment due the Contractor in an amount sufficient to pay each employee of the Contractor or any Subcontractors the full amount of wages due under the Prevailing Wage Law, and an amount sufficient to satisfy a liability of a Contractor for liquidated damages as provided under the Prevailing Wage Law, pending a final decision on the violation by the County. The Contractor may appeal a written decision of the Director of Economic and Workforce Development to the Office of Administrative Hearings ("OAH"), that the Contractor violated a provision of the Prevailing Wage Law, within ten (10) working days after receiving a copy of the decision. OAH will conduct a hearing upon the receipt of a timely appeal. If no appeal, the decision of the Director of Economic and Workforce Development or his designee becomes final. A Contractor who is found to have violated the provisions of the Prevailing Wage or Local Hiring laws intentionally, may not be awarded a County contract or work on any County project for a period of one year from the date of the OAH determination.
- 23.4.13 May not discharge, or otherwise retaliate against, an employee for asserting any right under the Prevailing Wage Law or for filing a complaint of a violation;
- 23.4.14 An aggrieved employee is a third-party beneficiary of this Contract and may by civil action recover the difference between the prevailing wage for the type of work performed and the amount actually received, with interest and a reasonable attorney's fee.
- 23.4.15 Each Contract subject to the Prevailing Wage Law may specify the payment of liquidated damages to the County by the Contractor for any noncompliance with the Prevailing Wage Law. Liquidated damages are:
- 23.4.15.1 \$10 for each calendar day that the payroll records are late; \$20 for each day that an employee is misclassified and paid less than the prevailing wage rate; and a civil penalty \$50 per violation of the requirement to post the prevailing wage rates at the work site.

23.4.15.2 These liquidated damages are solely related to prevailing wage and local hiring compliance and do not negate any other remedies available or set forth in the Contract, including delay damages or actual damages. These remedies are separate, in addition to, and not in lieu of any remedies available and set forth in the Contract for other breaches or defaults under the Contract.

23.4.16 Where the initial Contract Sum is \$300,000 or below, but it is subsequently increased and exceeds \$300,000 due to an approved Contract Modification, the amount of any such Contract Modification that causes the Contract Sum to exceed \$300,000 is subject to the Prevailing Wage Law and Local Hiring requirements.

23.4.17 The Contractor and all Subcontractors must post a clearly legible statement of each prevailing wage rate in a prominent and easily accessible place at the Work Site during the entire time Work is being performed, in English and any other language that is primarily spoken by the employees, at the Work Site.

The Contractor shall itemize each type of material on their estimate, listing the quantity unit price, and

extended price. The total mark-up shall be listed separately. If the BCPM, or the authorized representative, in his/her sole judgment, suspects that the price for any itemized material is unreasonably high, the source of supply will be rejected. The Contractor must then provide two other quotes for the material in question. If the lowest price for all three quotes is still too high, the BCPM, or the authorized representative, in his/her sole judgment, may elect to re-scope the job, choosing other materials and methods to accomplish the same task. All materials incorporated in the work must be approved by the BCPM, or authorized representative, prior to use on each job. Materials incorporated in the work that have not received prior approval by the BCPM, or authorized representative, shall be at the Contractor's expense and not paid for by Baltimore County.

The estimate shall be e-mailed or mailed to the Office of Budget & Finance, Property Management Division, 12200-A Long Green Pike, Glen Arm, MD 21057 ATTN: Property Management Division Manager. When the estimate and scope of work has been approved, the Contractor will be given a verbal Notice-to-Proceed or a purchase order by the BCPM, or authorized representative. Each verbal Notice-to-Proceed shall be confirmed by e-mail, by faxed written request or a Purchase Order.

For emergency work, the Contractor shall phone in the estimate to the BCPM or authorized representative. Included in the quote shall be estimated labor, equipment and material cost, brief description of repair to be done, and the work location. The BCPM or authorized representative shall give the Contractor verbal Notice-to-Proceed. The Contractor shall commence emergency work immediately.

- 9.7 For all non-emergency work, once the Contractor has received the verbal Notice-to-Proceed or Purchase Order, the Contractor has ten (10) calendar days to mobilize at the job site and begin work. The Contractor shall complete the work as quickly as possible without delay unless so permitted and/or directed by the BCPM.
- 9.8 The Contractors cannot sub-contract all or any portion of the work assigned under this agreement. All work must be performed by the Contractors' work forces. The only exception to this requirement is for work not within the trade contracted by this agreement (i.e. grubbing-out work, etc.) or to achieve M/WBE participation. For services outside of the contracted trade sub-contracting is allowed and the Contractors must bind the sub-contractors by the same terms, conditions, responsibilities, and obligations assumed by said Contractors to the County. Baltimore County shall reimburse the Contractors for their costs for the sub-contractor's labor and material. No additional markups (i.e. overhead and profit) or charges will be allowed. If the BCPM, or the authorized representative, in his/her sole judgment, suspects that the price for any sub-contractor's services is unreasonably high, the sub-contractor will be rejected. The Contractor must provide two other quotes for the sub-contracted services in question. If the lowest price for all three quotes is still too high, the BCPM, or the authorized representative, in his/her sole judgment, may elect to re-scope the job, choosing other means and methods to accomplish the same task.
- 9.9 Except for the pay items for the single axle dump truck and the demolition equipment, the cost of all travel means (trucks, fuel, lubricants, vital fluids, maintenance, and repairs) and any and all required equipment and tools shall be incidental to all other pay items. Debris removal resulting from both general construction work and major demolition, shall be paid for by the demolition removal and disposal type pay items. The Contractor shall not charge Baltimore County for travel time to and from the work site or workers' lunch breaks. Baltimore County shall pay only for actual work time on the job. The Contractor shall come prepared to the job site with the correct materials and parts needed for the work. If the Contractor finds that they need materials or parts not anticipated in the original scope of work, they may use work time to go to the closest supply house to pick up that part or

material. Only a maximum of one (1) man hour can be charged per day for such activity, if approved by the County on that day.

- 9.10 **The Contractor's invoice shall clearly state actual hours worked at labor rates quoted**, actual cost of materials, thereof, a complete description of work performed, location, and date. Accompanying their invoices, the Contractors must also include copies of their manufacturer's/vendor's invoices for material used thereby providing verification of actual costs and copies of all daily work orders listing each skill level of labor and their individual hours worked. The original work orders must be two-copied and must be signed by the Baltimore County contact person at the job site. One copy should be given to that contact person and one retained for the Contractor's files. The Contractor's workers shall sign-in and sign-out on their work orders and show actual time of signing. All materials shall be listed on the work order. In most cases, Baltimore County will provide the Contractor with blank work order forms at each job site. At any work sites where the County does not supply the blank work order forms, the Contractor must provide these work order forms.
- 9.11 If the Contractor foresees that he/she is going to exceed the original estimate, he/she must notify the Property management Division Manager, or his authorized representative, for approval in order to proceed on the additional work. The County shall not pay for additional work if the Contractor performs the work without the County's approval.
- 9.12 All work shall be measured and paid on a time and materials basis. Included in the labor rates are small tools, powered and non-powered. For purposes of definition, equipment and tools with a new cost of \$1,000.00 or less shall be considered small tools. Except for the pay items covering demolition equipment, mobilization shall be incidental to the other pay items. If any special equipment, with a new cost of \$1,000.00 or greater, is needed for a job, that equipment shall be paid for by the hour using the "Rental Rate Blue Book for Construction Equipment, Volume 2" as published by the Machinery Information Directory Corp., latest edition.
- The rating formula to be used is as follows:
- Weekly hourly rental rate for equipment and applicable attachments (weekly rated divided by 40) + regional map adjustments + estimated operating cost per hour. Overhead and profit, fuel, repairs, oil, vital fluids, maintenance, incidentals and all items of cost required for full operation of the equipment are pre-calculated in the Blue Book rating system. Only one hourly rate applies.
- 9.13 For the use of scaffolding, the County shall pay the Contractor's cost of rental only (no markup). The Contractor shall provide a copy of the rental firm's invoice when requesting payment for scaffolding.

10. TEMPORARY SUSPENSION OF WORK

- 10.1 During the progress of any work, the Contractor may suspend work via written permission of the BCPM, or the authorized representative, wholly or in part, for such period or periods as the BCPM may deem necessary, due to unsuitable weather, or such other conditions as are considered unfavorable for the suitable prosecution of the work. If it should become necessary to stop work for an indefinite period, the Contractor shall store all materials in such a manner that they will not obstruct or impede the public unnecessarily, nor become damaged in any way, and they shall take every precaution to prevent damage or deterioration of the work performed. When conditions warrant resumption of work on the project, the Contractor shall notify the BCPM, or the authorized representative, twenty-four (24) hours in advance and shall proceed with the work only when and if authority is

granted by the BCPM, or the authorized representative. Any work performed without approval by the BCPM, or the designated representative, will be at the Contractor's risk, and he shall be held liable for removal of any such work.

11. **MEASURE AND PAYMENT**

- 11.1 Skilled Mason, Stone Mason, Equipment Operator, Concrete Finisher, Foreman, Unskilled Apprentice
 - 11.1.1 Paid for by the hour. Hourly rate shall include all items of cost, overhead, and profit. **Work time on the job only.**
 - 11.1.2 The Foreman shall oversee work in the field and be responsible for the successful completion of all work.
 - 11.1.3 The County shall not pay for the cost of estimating price quotes for Purchase Orders.
- 11.2 Materials Incorporated in the Work
 - 11.2.1 Paid for by cost of materials multiplied by the contract mark-up.
 - 11.2.1.1 The invoice must reflect the price of materials prior to markup multiplied by the multiplier and the total
- 11.3 Single Axle Dump Truck
 - 11.3.1 Paid for by the hour for time on the job only. Mobilization shall be incidental to the hourly rate. The County shall allow one-hour paid travel time to and from the job site, at the beginning and end of the workday.
 - 11.3.2 All fuel, lubricants, vital fluids, maintenance and repairs, and all items of cost including overhead and profit shall be covered by contract hourly rate.
 - 11.3.3 The single axle dump truck shall be used to haul demolition material to the landfill, pull the low-boy trailer for the demolition equipment to and from the job site, and haul scaffolding to and from the job site when scaffolding is required by the job's scope of work.
- 11.4 Container, Roll-off, Open-Top, 30 Cubic Yards (Construction debris or concrete for recycling).
 - 11.4.1 Paid for by the each. Covers all transportation costs, rental time for filling the container, operational costs (maintenance and repair), overhead and profit, and all other items of cost.
 - 11.4.2 The demolition debris in the container is paid for by the contract price for landfill dumping charges.
- 11.5 Demolition Equipment
 - 11.5.1 Paid for by the hour for time on the job only. Hourly rate shall include all items of cost, overhead and profit.

- 11.5.2 Equipment shall include a backhoe loader or bobcat, a low-boy trailer, and air-compressor, and a jack hammer. Demolition equipment as defined by “small tools” shall not be charged to the County as demo equipment.
- 11.5.3 All fuel, lubricants, vital fluids, maintenance and repairs shall be included in the contract hourly rate.
- 11.5.4 The skilled mason shall be used as the equipment operator and shall be paid under the skilled mason hourly rate.
- 11.6 Mobilization for Demolition Equipment
 - 11.6.1 Paid for as an each price per job. Contract price includes all items of cost, overhead, and profit required for the initial set-up and breakdown/removal of the demolition equipment listed in Section 11.5.2 and for the single axle dump truck. Labor is not included in this mobilization pay item. Labor is paid for by the pay items listed for skilled and unskilled labor.
- 11.7 Landfill/Recycling Facility Dumping Charges
 - 11.7.1 Paid for by each truckload. This contract price shall include the cost of the tipping fees, overhead, and profit. The truck driver and single axle truck are paid for by the hour under those pay items.
- 11.8 Subcontractors, utilized for tasks outside the scope of contract work, necessary for completion of assigned work orders. Subcontractor and their assigned tasks must be **pre-approved** by Baltimore County Property Manager. Reimbursement for actual cost of labor and subcontractor purchased materials plus Contractor’s markup percentage.

The Prevailing Wage rates appearing on this form were originally derived from Maryland's annual Wage Survey. The Commissioner of Labor & Industry encourages all contractors and interested groups to participate in the voluntary Wage Survey, detailing wage rates paid to workers on various types of construction throughout Maryland.

A mail list of both street and email addresses is maintained by the Prevailing Wage Unit to enable up-to-date prevailing wage information, including Wage Survey notices to be sent to contractors and other interested parties. If you would like to be included in the mailing list, please forward (1) your Name, (2) the name of your company (if applicable), (3) your complete postal mailing address, (4) your email address and (5) your telephone number to PWMAILINGLIST@dllr.state.md.us.
